Grain prices are lower in sympathy with other markets. Flour is unchanged. Rolled oats are 5 to 10c higher. Butter is 1/2 to 1/4c higher. Cheese is unexpectedly higher owing to short contracts made with British houses at 4 1/2c for June western, and also to the falling off in exports from Canada.

## **MONTREAL LIVE STOCK MARKET.**

Special to The Commercial.

**Montreal, June 18.**  
Receipts of live stock at the east end abattoir yesterday were 800 cattle and 400 sheep and lambs.

The increased supply of cattle depressed values 1/4c per pound. The offerings consisted chiefly of butchers' stock. A few very choice steers sold as high as 5 1/2c, but the general run of sales of choice stock were made at 5c to 5 1/4c.

Good cattle sold at 4 1/2 to 4 3/4c; fair at 3 1/2 to 4c, and common at 2 1/2 to 3 1/4c per pound. A fair trade was done in sheep and prices ruled about steady. Good shipping stock in lots sold at 3 1/2c, and the butchers paid 3 1/2 to 4c per pound. The demand for spring lambs was good and prices were higher at \$2.50 to \$3.00 each. Calves met with a fair sale at prices ranging from \$2 to \$3 each, as to quality. The market for live hogs was stronger and prices ruled higher under a good demand at \$4.50 to \$7.15 per 100 pounds, weighed off cars.

**THURSDAY'S MARKETS.**

**Montreal, June 22.**  
Receipts of live stock at the East End abattoir on Thursday included 1400 cattle and 1,000 sheep and lambs.

Prime stall fed steers brought 5 to 5 1/2c; good grass cattle, 4 to 4 1/2c; large export sheep, 3 1/2c; butchers' grades, 3 to 3 1/2c; lambs are lower at \$2 to \$3, and fat hogs, select, 7 1/2c; ordinary, 6 1/2c.

**TORONTO LIVE STOCK MARKET.**

Special to The Commercial.

**Toronto, June 19.**  
Receipts at the stock yards yesterday were 84 carloads, including 1,491 cattle, 546 sheep and lambs, and 300 hogs.

**Export Cattle**—The demand was light, several buyers being unwilling to take cattle at the prices asked. The purchasing was confined to a few dealers and the aggregate was rather small. Choice cattle were quoted easier at \$5 to \$5.25, while medium, including light weights, were unchanged at \$4.75 to \$5. Cows were quiet but steady at \$4 to \$4.50.

**Butchers' Cattle**—The tendency is towards lower figures, but the range of quotations is still unchanged. Good to select cattle are in steady demand, and for the best buyers are prepared to pay up to \$5. But there are heavy offerings of poor to medium cattle. Some of these are grass-fed and holders ask as much for them as for stable fed stock. The majority of the butchers are hard to sell; only the best lots move at all freely.

**Feeders and Stockers**—Offerings were scanty and there was little business. Prices at present are too low to induce heavy shipments to this market, but the outlet is so poor that a higher range of figures is not warranted.

**Hogs**—Prices have advanced 12 1/2c per cwt. Selects of 160 to 200 lbs., natural weight, are quoted at \$7.12 1/2, corn-fed at \$6.87 1/2, and lights and fats at \$6.62 1/2.

## **FRIDAY'S MARKETS.**

**Toronto, June 22.**  
Receipts at the semi-weekly markets

yesterday were 50 cars, including 500 sheep and lambs, and 2,000 hogs.

**Export cattle** are quiet and rather easier. Top paid \$5.30 for a few choice, and ruling prices, 4c to 5c.

**Butchers' cattle** offering were a poor lot. Best held firm at \$4.50 to \$4.80.

**Sheep** were quiet. Export ewes 5c lower, at \$3.50 to \$3.70. Hogs steady.
