FLEMING BROS.—My experience with your Lump-Jaw Cure is as follows: I have taken two lumps off one cow by the rubbing-in process. Both were discharging—I have two cases yet—one the lump is going down, the other the rubbing-in did not seem to do any good. Last week I cast the steer and cut lump open and let what had gathered there out and then syringed as directed; lump is almost gone; the lump was hard and had never discharged. I would advise any one using your cure if after two or three applications it does not reduce lump to use the knife, for it will save time and money.

Yours truly,

Dear Sirs,—Some time ago I bought a bottle of your Lump-Jaw Cure and I succeeded in curing a bull, so I thank you very much. One of my friends has a cow that has a swelling on the neck near the ear, and he wishes to have a bottle of your remedy.

Yours truly,

FLEMING BROS., Sirs,—Enclosed please find order for \$2.00, for which send a bottle of your Lump-Jaw Cure. I want to try it for removing a ringbone from a horse. The bottle I bought from you last spring cured the Lump-Jaw on three animals completely.

Dear Sirs,—I have noticed in The Sun that you have advertised a cure for Lump-Jaw, and also have heard of it being used, and drove to find out the result, and I am satisfied if you send me the same kind of stuff I will not begrudge the money. I hereby enclose \$2.00 for one package of Fleming's Lump-Jaw Cure. Yours truly,

James A. Fletcher.

FLEMING BROS., Gents,—In my practice here in doctoring cows, horses, etc., I have come across your medicine for lump-jaw. My experience with the medicine has been very satisfactory, and I find it does all you claim for it.
