OPPORTUNITY IS NOW KNOCKING AT YOUR DOOR!

We are selling 200,000 shares of a gold and silver Mining Proposition which is no longer a prospect but a wonderfully Rich Gold and Silver Mine in "Pontiac County Abitibi Region, which covers over 20 square miles of rich Mining Property.

SAMPLES. We have, and are exhibiting Samples at our Office, taken from the Union Abitibi Mining Company's Property; which have startled our greatest mining authorities.

STOCK. The Union Abitibi Mining Company is capitalized at \$2,000,000.00 shares at \$1.00 par value, the stock is fully paid, and not subject to call. The Ore now in sight has a value much greater than the amount of its capitalization.

VEINS EXPOSED. 16 Quartz veins, gold and silver bearing. 1 Calcite vein 4 feet wide, silver bearing. Enormous quantities of Schists, assaying over \$80.00 per ton have also been located, thus ensuring an ore supply of high grade ore for many and many years.

LET US SHOW YOU HOW AND WHERE TO LOCATE A SOUND, PROFITABLE, TRUSTWORTHY INVESTMENT.

Profits likely to be paid on the stock of the Union Abitibi Mining Company.

Based on an output of 100 tons a day, at \$40 per ton (minimum yield of the schist found on our properties) the production would be \$4,000 a day, which means \$1,200,000.00 for 300 days. Thus, 100 shares at \$25.00 will bring in a dividend of \$60.00 per year or 240 per cent. of the money invested.

To defray the cost of erection of mill and machinery, we now offer:

100,000 Shares at 25 cents.

100,000 Shares at 35 cents.

We court the most rigid investigation. Our mines, the management, and even the books of the Company, are open to the scrutiny of prospective investors or stockholders at any and all times. Every facility will be afforded to such investigators.
