

HAMILTON TO VOTE ON A HYDRO BYLAW

To Guarantee Bonds for a Beck Radial to Elmira.

Hamilton, Ont., Nov. 7.—Champions of "public ownership" will soon be given the opportunity to vote on another Hydro radial bylaw. Hamilton will be one of the 17 municipalities that will be called upon to guarantee bonds for an electric line that will connect up the Ambitious City with Elmira. While no definite statement has been made, it is expected that this city's share will be in the neighborhood of \$600,000.

This information was brought back by Controller Halerow, Halford and Jutten, who attended the conference. They were further informed by Engineer Gaby that the new union terminal for this city would be built on North James street, south of the G. T. R. line, so as to be in keeping with the plans of Engineers Tye-Cauchon for a common steam and radial entrance into Hamilton.

Bylaw Will Carry.

Hamilton will have a big Hydro bill before she is thru. The city guaranteed bonds to the extent of \$5,000,000 for the Toronto to Niagara radial line and also agreed to guarantee another \$600,000 as a result of the failure of Saltfleet township to endorse the bylaw. With the \$600,000 for the Hamilton-Elmira line, it means a total of \$7,200,000.

Any Hydro bylaw will carry here, however. The ratepayers have unbounded faith in Sir Adam Beck and will back any proposition that he puts up to the last dollar. They carried the last radial bylaw here by a majority of 2,800 despite the fact that big "corporation interests" were backing the scheme day and night. There will be no such opposition to the Hamilton-Elmira line being constructed and there is not the slightest doubt as to it being endorsed; in fact, it will go thru flying.

Objective Passed.

Toronto's objective for large subscriptions was gained last night. Over ten millions was subscribed during the day, totaling for the city among big investors the sum of \$30,662,200, or \$62,200 over the amount the canvassers of this special work set themselves out to raise. The announcement of the good news by J. W. Mitchell was the signal for an ovation for J. H. Gundy, chairman of the special subscriptions committee, bursts of enthusiasm finding their climax in three vociferous cheers for the head of the successful department. In acknowledging applause, Mr. Gundy stated that his committee was spurred to the conquest by the knowledge gained at last meeting that about two-thirds of Ontario centres had reached their objective.

A good deal of disappointment was experienced on the announcement that Mr. E. C. Drury could not attend the meeting, his reason being that he was a member of the "Home-Saving Union" and was working overtime. Mr. Andrew Chaffey of the Home Savings Bank of Los Angeles, was among the guests. An inspiring musical program was given by Frank Oldfield and Albert Downing previous to the posting of returns. The highest district canvasser in Toronto yesterday was F. J. Crawford.

The second feature of the day was the increased number of small subscribers and educational institutions which invested.

J. W. Mitchell has issued the statement that there are ten thousand less subscribers in Toronto this year than last. This is attributed to the lessened activities of the women and an effort is being made to overcome the handicap. Next week will be known as "women's week" and a chain system is suggested, each woman to ask one or more women to help save Toronto's reputation. Girls in factories and industries generally are subscribing to an even greater extent than last year, but other women are not supporting the loan so well, is the statement.

Employees of the Canadian National Railways, 50,000 in number, have set an objective of \$5,000,000, of which \$3,135,300 was gained at noon yesterday.

The feature of the day will be the procession of decorated motor trucks and horse vehicles which will start from Queen's Park at 2:30 p.m. The U. P. O. will be well represented in the six floats.

A mass meeting with prominent speakers, has been arranged for Monday night at Massey Hall, doors open at 7:30, meeting at 8:15.

Honor flags today were won by Corp. Clark C. Sunbeam Lamp Co. Dodge Mfg. Co.

ONTARIO UNITS GO OVER THE TOP

Brant and West York Win Prince of Wales Flag.

Yesterday \$3,096,800
Total to date 171,815,450

The Victory Loan drive in Ontario yesterday provided some spectacular features. The county of Brant, under Chairman A. K. Bunnell, won its Prince of Wales flag by turning in a total for the day of \$1,112,750. West York, under Chairman J. P. Brown, brought its total to date up to \$1,066,950, which exceeded its combined objective and made it the fifth unit to win the Prince of Wales flag.

Toronto's fine performance, backed by excellent returns from the rest of the province, made the total yesterday \$23,958,600, compared with \$21,466,750 for the same day last year.

Ontario's grand total for the eleven days is \$171,815,450.

To reach the objective of \$226,000,000, it is necessary to raise an average of approximately \$12,500,000 for each of the 18 working days. The province has, however, maintained so far an average of \$13,250,000, which means that we are \$83,250,000 ahead of our quota for the period that has elapsed.

Ten Divisions Over.

A striking feature of the campaign has been that no less than ten divisions have already exceeded their objectives for special subscriptions, namely: Thames, Grand, with 166.47 per cent.; Northern, with 160.26 per cent.; London, with 134.11 per cent.; Trent Valley, with 123.31 per cent.; Erie-St. Clair, with 108.11 per cent.; Central, with 143.62 per cent.; Lake Huron, with 130.70 per cent.; Bay of Quinte, with 115.13 per cent.; Hamilton, with 104.62 per cent.; and Toronto, with 100.12 per cent.

Twenty-nine units have also exceeded their objective on special subscriptions, namely: Toronto, Hamilton, London, Essex, North, Lambton, Brant, Norfolk, Welland, Huron, Waterloo, North, Wellington, South, Dufferin, Simcoe, West, York, West, York, North, Peel, Ontario, Durham, Peterboro, Victoria and Haliburton, Brant, Lennox and Addington, Frontenac, Leeds and Grenville, Dundas, Stormont and Glengarry, Renfrew, Carleton, Timiskaming, Rainy River.

Five new units have passed the million-dollar mark, bringing the total number up to 36, namely: Oxford, North, Dundas, Stormont, Glengarry, and Sudbury, Manitoulin, Lanark and Wentworth.
