Still another interesting development Montreal, Oct. 25.—(Special.)—The President morton of the Equitable Life, pany for nine months of the year ex-ceeded the expenditures by \$16,723,197, sia had declared a general str.ke was ferences, in the hope of finding some the cause for much jubilation in the an increase of over \$500,000 c mpared with the same period last year. Rerevolutionists and the Socialists have cast the country.

The general strike on the railroads

stores and restaurants on St. Law-ceipts from premiums on poinces for the turn quarter this year were over \$1,000,000 less than in 1904. The expenses of the third quarter of this year provinces, and St. Petersburg, Most of political exiles in Montreal knew ow and other large cities are almost as closely beleaguered as if they were invested by besieging armies. At the same time the industrial strike has assumed large dimensions, and the turbulent elements in several localities are offering open resistance to the troops. The ministers, who had been in session during the day, continued their deliberations until loig after minister.

The Finland Railroad to Helsingfors and the steamer's constitute St. Petersburg's only means of communication with the outer would this morning. The postal authorities are low.

The postal authorities are almost several weeks ago that the strike would the strike would the strike ago that the strike would that takes of Russian radical journals that keep us fully informed of all that takes place. We receive regularly copnes of Russian radical journals that keep us fully informed of all that takes place in Russia. The crippling of the Mutual Life Insulance Company, and to the reading of figures, the legislative insurance investigating committee adjourned until Nov. 8, the day after election. Some of Mr. Mc-Clintock's explanation of the moutine would that takes place in Russia. The crippling of the Mutual Life Insulance Company, and to the reading of figures, the legislative insurance investigating the authorities and enable the revolutionists to carry on their work, practicularly without interference. Tho the authorities are offering open resistance to the trains, they will be authorities and enable the revolutionists to carry on their work, practicularly of the Mutual Life Insulance Company, and to the registance of Mr. Mc-Clintock's explanations brought out that his ideas were in many respects at variance with the established and the steamer's constitute St. Petersburg's only means of communications that the strike is the strike would have the full place in Russia. The crippling of the Mutual Life Insulance Company, and to the registance of Mr. Mc-Clintock's explanation of Emory McClintock's explanation of the matter was an increase over

know anything about the operation of a railway.

"The strike is the master stroke of the leaders who are working for the cause of liberty in Russia. It will paralyze the bureaucracy to such an extent that they will be powerless. We also count on the scarcity of food inc.ting the masses to riot and plunder, and thus bring on in all the powerless. The strike is the master stroke of dividend policies contained in the Frick report on the Equitable Life Assurance Society was read to the witness. The Frick report in substance declared that there was a potentiality of evil in the system which defers the distribution of dividends was again taken up. The argument against deferred dividend policies contained in the Frick report on the Equitable Life Assurance Society was read to the witness. The Frick report in substance declared that there was a potentiality of evil in the system which defers the The strike is complete in the great factory region on the Nevt above the city, and in several other industrial quarters. Forty thousand men are out, but they are conducting themselves in plus" had been a great detriment to the Equitable because it was generally misunderstood. He said it implied that the amount of surplus was available for immmediate division. Other compa-Walkerville. Oct. 24.—Louis Ferrari, his wife and four small children nerrowly escaped being cremeated when their hotel in Sandwich East burn- Mr. McClintock said that as man understands the conditions of the deferred dividend policy before he takes

which the sentiment was unanimous for continuing the strike on the railroads. The proceedings at several of the meetings were strongly revolutionary, the orators calling on their auditors to rise and slay all "Chinovniks," and the police and to meet the troops with armed force. Those speeches were re
The mother also did heroic work in a several of the children was presented by the conditions of the deferred dividend policy before he takes to the ground, early this morning.

A neighbor happened to awake and see the fire and he aroused the family.

The father wrapped the children in of view, especially as each policy carticular the mother also did heroic work in properly state the total amount of prepeared to him that the companies might properly state the total amount of premiums on each class of policy that have not yet received their dividends. He estimated the amount of such in the Mutual at \$\$22,000,000.

An Ambiguous Phrase. saving two of the children.

Both the father and mother were considerably scorched in getting out of

Mr. McClintock said that the words deferred dividends" were ambiguous, and led the policyholder to believe that there were dividends accruing that would be paid to him at the end of each year. The New York Life, he sa d Body of Boy Found at Foot of Shaft had stated its accumulation of deferred dividends for several years. This was and sometimes not. When he became connected with the Mutual Life there no calculation of this accumulation until the end of the distribution period, so that there is no recognition of legal ability except for purposes of bock-

mr, McChintock said the motion of the dividend period. One reason for decreasing diviperiod. One reason for decreasing diviperiod. At Newmarket and Aurora Late P.M.G. Listens To Unportisan Praise and Reviews Political Career Unblemished by Disa-

greemant. Newmarket, Oct. 25,--special)-The scene of many a hard fought political battle, the historic old riding of North York; to-day established a new record. For nearly a quarter of & century the representative of the Liberal party in this riding and the victor in contests most strenuous, to-day Liberals and Conservatives vied with each other in doing Sir William Mulock honor, this afternoon. He bade

good bye to the political arena, and, the event was not lacking in bathos and in material. Judged by the sumbers alone the event was not one calculated to inspire hope in the Liberal party in North York. The town hell in which she gathering was neid contained only a sprinkling of those who were wont to gather there in times past, and the majority of them were men who had grown grey in promoting were wont to gather there in times past, and the majority of them were men who had grown grey in promoting the principles of Liberalism in North York. Ex-Mayor H. S. Cane, occupied the chair and seated on the Matform with Sir William were: S. J. Robertson, secretary North York Liberal Assosiation, W. C. Widdifield. T. H. Brunton, Luke Gibbons. Erastus Jackson, Major Allah. J. D. Mackay and C. E. Lundry, while amonge the audience were K.F. Schmidt. C. Armitage, Major Roadhouse. W. N. Starr, E. S. Cane, J. E. Cane, J. E. Cane, J. F. Cane, J. E. Cane, J. E. Cane, J. E. Cane, J. E. Hughes, and A. B. Davison, Ex-Mayor Cane alluded briefly to the success which had attended Sir William Mulock's administration in rostal matters and the enormous benefits which would accrue to North York thru the construction of the canal connecting the Holland River with the Trent Valley system. E. C. Lundy. Luke Gibbons, W. C. Widdifield and Erastus Jackson, the latter a life long friend, expressed the regret with which the retirement was viewed.

Given an Address.
