We include Men's Muskrat-lined Coats in our August sale—25 per cent. reduction—

Furs bought now will be stored free of charge until required.

The reduction extends entirely through our stock of new season 1907-1908 designs of Men's, Ladies' and Children's Furs.

This is the dullest month of the year for us, and we are making a great price sacrifice to bring in ready money.

If you can't come to our store, write for our catalog.
