SEPTEMBER WEDDINGS

THOMSON-CAMERON.
Hespeler, Sept. 23.—The marriage of two popular Hespeler young people took place at high noon today at the residence of the bride's parents, Mr. and Mrs. John Cameron, Queen street west. After the wedding service Mr. and Mrs. Thomson left for Montreal, where they will spend their honeymoon. On their return they will reside on Silver Heights, Hespeler.

The ceremony was performed by Rev. R. S. Mason of Toronto, brother-in-law of the groom. The bride, who was given away by Dr. Andrew MacInnes, wore a gown of ivory crepe de chine and bridal veil with coronet of orange blossoms and white heather, and carried a bouquet of sweetheart roses, and a reception at the home of Dr. Andrew MacInnes followed the ceremony, after which Mr. and Mrs. MacInnes left for Detroit.

Promptly following the ceremony, Miss Jean McGregor of Rodney, the groom took his place under a white-laced arch, banked with ferns and cut flowers. TOASTIES

Little Marion Carson, niece of the bride, a charming flower girl, dressed in a dainty white French or-gandie dress, with pale blue trimmings. During congratulations and the signing of the register, H. G. Mistle of Waterloo, brother-in-law of the bride, sang "O Promise Me," after which a dainty wedding dinner was served to 20 guests by four civil friends of the bride. The groom gave the bride a handsome Victoria, the pianist an onyx bar-pin, the soloist a gold bar tiepin, and the flower girl a gold locket and chain. The happy couple left on the evening train for points east and Toronto, the bride traveling in a midnight blue tulle-trimmed suit, with hat of French blue velvet faced with Japanese rust tulle-trimmed and trimmed with an ostrich quill. The bride and groom were at home to their friends after October 1.

Among the out-of-town guests were Dr. and Mrs. J. F. Armstrong of Hamilton, Russell Harris of Detroit, George Harris of Toronto, Mr. and Mrs. H. G. Mistle of Waterloo, Miss Hessemauer of Kitchener, Miss Owen of Chatham, Miss Madge M. Millan of London, Miss Mueschmidt of Essex, and Mr. and Mrs. Carson and daughters Marion and Lois of West Lorne.

ANOTHER REDUCTION
OF ONE CENT A POUND
IN PRICE OF SUGAR.

Carloads of American Sugar Are Offered Away Below Canadian Figures.

"Grocery markets are holding fairly steady, although a few commodities show slight advances and others are shaded lower," says Canadian Grocer this week. "Business in retail circles is reported brisk, although orders to wholesalers and manufacturers are not as large as the season warrants. Retailers are apparently confining themselves to immediate requirements."

"Montreal.—There are a number of special features to the market this week. Lard is dearer and there appears to be a rather a shortage. Strictly fresh eggs demand still higher prices. Creamery butter holds firm at the high prices. The cheese market shows signs of brightening up. Meats hold firm and the shortage existing on beef cattle shows little improvement. Sugar declines another cent per pound. Cereals on the whole much cheaper. Package oats are going to be lower. The rice market is upset and lower prices on tapioca are recorded. The trade for the fall shows much improvement and the return of the many people to the city is quite evident through the grocery trade."

"Toronto.—Sugar continues to be the centre of interest in general groceries. A decline of one cent per pound occurred last week. There is still second-hand sugar offered, but not quite as freely as in the week before. A couple of cars of American sugar arrived, and it is stated that it was laid down at several dollars below Canadian refiners' prices. There is practically no sugar moving from the refineries. This condition, coupled with the fact that American sugars are being brought in may tend to further reduce quotations on Canadian refined. The high cost of cartons and labor is counteracting the lower cost of grains, and manufacturers of breakfast foods are generally of the opinion that lower prices are not likely. However, the package oats are likely to decline to the level of a year ago. Allotment of sockeye salmon to jobbers are very small and are rapidly moving into retailers' hands. A few home-made hams are on the market, but other species are unchanged. Opening prices have been named on Oregon prunes and are several cents below those named by the California association. Spot stocks of California raisins are fast becoming depleted, and there is every indication that the high prices named for new crop will be maintained in view of the great demand in the United States for beverage purposes. New crop Amalia cereals are expected to arrive in a week. Lower grade India and Ceylon teas are weak, but the highest grades, for which the public both in this country and Great Britain are showing a decided preference, are holding at high prices and are becoming difficult to procure. New crop shelled almonds are quoted lower than last season. Peas are easier and lower prices quoted. The rice market is steady under a quiet demand. White sage is reduced one cent per pound. Some shipments of New Zealand honey have arrived and are lower. Canadian onions have declined. It is reported that there is a large crop

and that prices will be much lower than they are at present.

"The produce and provision markets are slightly firmer this week. Smoked bacon and hams are quoted higher. Barrel pork is also marked up. Butter and eggs are firm, but quotations are unchanged. Cheese is steady. Lard and shortening are in a strong market with a tendency for higher prices. B. C. frozen fish is quoted higher, due partly to the long haulage and increased freight rates."

TOWN PLANNING
MEETING TONIGHT

Lively Discussion May Feature Proceedings This Evening.

While members of the town planning committee assert that there is no special importance attached to the meeting of that body which has been called for tonight, it is nevertheless a meeting which will be watched with some interest. The last meeting of the committee ended in a heated discussion between the chairman, Ald. E. R. Seabrook, and John Cottam, one of the members, as to the activities or inactivities of the committee.

A meeting which was called subsequently failed to attract a quorum of members. Following this Mr. Cottam addressed two letters to Mayor Little, in which he alleged that a deliberate attempt was being made to block town planning.

The meeting called for tonight is the first one since these letters were published, and it is possible that there may be some discussion of them.

DIES OF INJURIES.

Lindsay, Sept. 24.—Emmett Milloy, 11 years old, of Downsville, was caught yesterday in the wheel of a motor spreader, thrown on to a prong which pierced his eye, and died this morning from injuries sustained to his brain. He was the son of Frank Milloy of Downsville.

"BABE" RUTH IN HOME TOWN.

Baltimore, Md., Sept. 24.—"Babe" Ruth, returning to his home town here yesterday, where 10,000 fans hoped to see him produce at least one circuit clout, struck out twice, the last time with the bases full. The Orioles won, 1 to 0.

Ruth last night wrote a check for \$2,500 for the benefit of St. Mary's Industrial School, where he learned baseball, to help replace the buildings destroyed by fire.
