## BRITISH ADVANCE ACROSS TIGRIS BELOW KUT-EL-AMARA RUSSIANS ENGAGE TEUTONS IN A FIERCE BATTLE IN CENTRAL RUMANIA Imperial War Conference Opens at End of February

### FOE ONSETS IN EAST RUMANIA GAIN SLIGHTLY

Russian Lines Bulge, But Re-  
main Unbroken Under  
Attacks.

### ENEMY LOSES HEAVILY

Teutons, Under Compulsion,  
Make Costly Attacks  
on Slav Troops.

Special Cable to The Toronto World.

London, Dec. 26.—According to the  
German official communication issued  
at Berlin tonight, the Russians have  
been ejected from several positions in  
Great Wallachia.

As the Germans do not specify these  
positions, and do not claim that they  
have pierced any Russian lines, it is  
presumed that the operations have  
merely consisted in the driving of  
Russian detachments towards their  
main positions. It is also considered  
probable that the Russians are fight-  
ing a delaying action in order to give  
time for the completion of prepared  
positions in their rear and for ade-  
quate reinforcements of men and guns  
to arrive. At any rate the German  
advance has been steadily slowing  
down until it is nearly stopped.

The Russian description of the fight-  
ing on the Rumanian front shows that  
three attacks are being made by the  
enemy at the source of the River  
Sicthna, in the Dragostzoff region.  
Rumanian troops holding the lines re-  
pelled the foe and captured three ma-  
chine guns.

The Russian advanced posts at the  
source of the Rinnak River were  
pressed back by the enemy on their  
main position, Petrograd announces.  
All the German attacks, the Russians  
say, were repulsed by their fire in the  
Kilnau Valley, west of Rinnak Sarat.

**Defeat Foe Attacks.**  
The Russians report the defeat of  
rather heavy and fierce Teuton at-  
tacks with considerable forces on the  
Filipchit-Lichkotiianka front. The  
fighting was especially severe in Fil-  
pichit Village until the German arti-  
llery set the place on fire, and the  
Russians then evacuated it.

The Berlin official communication  
issued today says that during engage-  
ments on the great Wallachian plain  
and on the edge of the mountains  
south of Rinnak Sarat in the past few  
days the Teutons took 5,000 Russian  
prisoners. It is claimed that German  
divisions, with auxiliary battalions of  
Hungarians, stormed the Village of  
Filipchit on the road from Buzau to  
Braila, and strongly entrenched Rus-  
sian positions on both sides of the  
village.

Berlin despatch says: The Rus-  
sians have been driven from several

### RUSSIAN GUNS KEEP ACTIVE.

Berlin, Dec. 26.—Today's official  
statement says: "Front of Prince Le-  
told: On the lower Stokhod the Rus-  
sian artillery are more active than  
usual. Northwest of Lutsk an enter-  
prise conducted by German detach-  
ments resulted in the bringing in of  
17 prisoners."

## WAR SUMMARY

### THE DAY'S EVENTS REVIEWED

CROSSING the Tigris River, in Mesopotamia, the British forces  
have occupied positions on the right bank, south and east of  
Kut-el-Amara. They have also systematically bombarded the  
trenches of the Turks southwest of the river. A force of British  
cavalry, by a night march, advanced to Gassabs Fort, 20 miles south-  
east of Kut, and destroyed it, with sixty tons of grain. The expedi-  
tion also captured cattle and burned a number of hostile Arab en-  
campments. This fort has long been a handy base of operations for  
hostile Arabs.

A characteristic of Mesopotamian operations is the deliberate  
and systematic manner in which Gen. Maude is preparing the ground  
ahead for his advance. He is following out the same policy as was  
adopted by the allies in the battle of the Somme. That policy is the  
exercising of strong and continuous pressure rather than the Ger-  
man policy of striking violent blows. Both the Mesopotamian and  
Egyptian forces appear to be directed by one leader. It is not im-  
probable that this is the new 300 mile front that Premier Briand  
recently said would be opened by the allies in the east. The next  
big attack of the forces advancing from Egypt will probably be made  
on Beersheba. The object is to secure possession of the Turkish  
headland. Palestine, in all its history, has been the buffer state be-  
tween Egypt and Asiatic powers from Assyria to Turkey, and it has  
frequently been overrun by armies advancing both from Egypt and

### 'BONNE ENTENTE' PARTY WILL SOON PAY VISIT

They Will Leave Montreal on  
January Seventh on On-  
tario Tour.

Montreal, Dec. 26.—The "bonne  
entente" delegation from the Province  
of Quebec, which is to repay the visit  
of an Ontario delegation to this pro-  
vince last fall, will leave this city  
Sunday night, Jan. 7, for a three days'  
tour in Ontario, including Toronto,  
Hamilton and Niagara Falls, and will  
include about 25 from Montreal, 20  
from Quebec, 10 from Sherbrooke and  
5 from Three Rivers.

Z. Hebert, vice-president of the  
Montreal Board of Trade, has charge  
of the arrangements at this end of the  
line. A number of prominent people  
were mentioned as being probable mem-  
bers of the party.

At the bonne entente banquet, to be  
held in Toronto Jan. 8, Premiers H. arst  
and Gouin will be present. Arthur  
Hawkes was dined tonight at the  
Garrison Club by Sir George Garneau,  
the chief motive force in the movement  
to establish better relations between  
the two provinces. Sir Lomer Gouin,  
Hon. L. P. Pelletier and Hon. Adelard  
Turgeon.

### NORWAY TO JOIN IN URGING PEACE

President of Storting Says  
His Country Welcomes  
Proposals.

### DAWN AFTER NIGHT

Lloyd George Not Under-  
stood to Have Barred  
the Door.

London, Dec. 26.—A despatch to the  
Exchange Telegraph from Copenha-  
gen today says:

"Dr. Mowinkel, president of the  
Norwegian Storting, in the course of  
an interview on his country's attitude  
concerning peace discussions, declared  
that Norway, in common with the  
whole neutral world, had greeted the  
idea of peace with one greeting, the  
idea of day after a stormy night."

"Dr. von Bethmann-Hollweg's latest  
utterances, so far as they referred to  
the future relations between nations,"  
Dr. Mowinkel added, "were similar to  
the statements in that respect made  
by President Wilson and Viscount  
Grey, the former British foreign min-  
ister, and I, therefore, hope that the  
possibility of finding a common basis  
for negotiations is not far distant."  
From the recent speech of David  
Lloyd George, the British premier, Dr.  
Mowinkel said he gained the impres-  
sion that the reply of the entente al-  
lies did not exclude further peace dis-  
cussions.

### Fear Foreigners May Get Control of German Ships

Amsterdam, Dec. 26, via London.—  
The Frankfurter Zeitung reports that  
the Bundesrat has forbidden the sale  
abroad of German shipping shares, the  
object being to prevent an undesirable  
foreign influence in Germany's ship-  
ping.

### BERLIN CRAFTY IN ANSWER TO WILSON'S NOTE

Communication Intended for  
Home Circulation and to  
Impress Neutrals.

### NO DEFINITE TERMS

Washington, However, Thinks  
Peace Movement is Ad-  
vanced Another Step.

Washington, Dec. 26.—Germany's  
reply to President Wilson's note is re-  
garded here as having advanced the  
peace movement another step, despite  
the fact that it disappoints in not  
meeting his suggestion for an avowal  
of terms.

The reception Germany's reply re-  
ceives among the entente allies whose  
statesmen publicly declared against  
such a program now becomes the point  
upon which a further move is hinged.  
The German note probably is the pre-  
lude to a series of carefully considered  
delicate moves in the great game of  
world diplomacy, all possibly leading  
to an approach for a real discussion  
of peace terms on grounds which all  
the belligerents may feel can place  
them at no disadvantage.

This is the official view of Germany's  
reply, so far as it has been formulated  
on the basis of the unofficial text. The  
official copy had not been received to-  
night and President Wilson was keep-  
ing his mind open.

### Not Real Answer.

Neutral diplomatic quarters, too, re-  
garded the note as a step toward  
peace, and rather leaned to the view  
that Germany might follow it with a  
confidential communication of some  
sort outlining her terms.

The view of the entente ally em-  
bassies, frankly expressed, was that  
the note was not an answer to Presi-  
dent Wilson's communication, but  
rather a document for circulation in  
Germany and in neutral countries with  
the object of molding opinion to place  
the responsibility of containing the  
war on the entente.

Among the Germanic diplomats the  
only view expressed was one of sur-  
prise that the reply had preceded re-  
ceipt of the entente's response to Ger-  
many's original peace proposal of  
Dec. 12.

### Where Germany Fails.

It was everywhere agreed that the  
principal sticking point was the lack  
of a definite statement of terms such  
(Concluded on Page 5, Column 2).

### POLAND IS TO HAVE NEW PAPER CURRENCY

Von Beseler Signs Order Creating  
Polish State Credit Bank.

Warsaw, via Berlin and wireless to  
the A. P. to Sayville, Dec. 26.—Gov-  
ernor-General von Beseler has signed  
an order creating the Polish state  
credit bank, which shortly will issue  
new paper currency in Polish marks  
of a value equivalent to German marks  
and guaranteed by the German Gov-  
ernment.

The step was taken after long de-  
liberation on the problem as to how  
the financial and credit situation in  
Poland could be improved, with a view  
to stimulating the development of the  
economic life of that country. The  
bank, which will operate for the dura-  
tion of the war, and until Poland is  
on a peace footing, will be opened as  
soon as the currency can be prepared.

The operation of the bank will be  
extended to the portion of Poland oc-  
cupied by Austria-Hungary as soon  
as an agreement with the dual mono-  
archy to that effect is completed.

### SWEDEN PRESENTS NOTE SUPPORTING WILSON

Follows Action of Swiss Govern-  
ment in Petitioning Belligerents.

London, Dec. 27.—The Daily Tele-  
graph says it understands a Swedish  
note identical in purport with the note  
of the Swiss Government, concern-  
ing President Wilson's peace in-  
itiative, has been presented to the bel-  
ligerent governments.

### OBJECT TO POMP AT HUNGARIAN CORONATION

Members of Croatian Opposi-  
tion Party Leave House as  
Protest.

London, Dec. 26.—A despatch to  
the Exchange Telegraph from Amster-  
dam says preparations for the Hun-  
garian coronation are almost com-  
pleted, and that the indications are  
that the ceremony will be carried out  
with all the pomp of the days before  
the war.

On the ground that the coronation  
should not be celebrated lavishly dur-  
ing such times of stress, the Croatian  
opposition party, according to a dis-  
patch from Agram, has declined the  
official invitation to the ceremony.  
The party, led by the Croatian Diet, Dr.  
Havelka, leader of the opposition, for-  
mally declined the invitation in the  
name of the three opposition parties,  
and the members of the opposition  
then left the house.

### PIANO'S FALL KILLS BOY.

Vancouver, Dec. 26.—Thomas McIn-  
loch, aged 16, was killed today, when  
he fell from the piano on which he was  
tinkling over and the lid was instan-  
tly killed.

### ACTIVITY REVIVES ON SOMME FRONT

Party of Germans Approaches  
British Trenches—Eigh-  
teen Surrender.

### HAS NEW TRENCHES

Enemy Constructs Fresh Line  
of Defensive Works in  
Rear.

Special Cable to The Toronto World.

London, Dec. 26.—Warfare on the  
western front continues to be a mat-  
ter of trench raids and artillery fight-  
ing, according to the official communi-  
cations of the allies today. Of fifty  
Germans who approached the British  
trenches in the neighborhood of Les  
Boeuifs, 18 were taken prisoner and the  
remainder suffered heavy casualties  
from British machine gun fire.

The French on the Somme front  
were engaged in great artillery activ-  
ity with the Germans about Belloy-  
en-Santerre and Fauquescourt. The  
cannonade was intermittent on other  
portions of their front. The most ac-  
tivity also prevailed on the British  
front between the Somme and the  
Ottawa.

At Ottawa, Dec. 26.—Owen Thomas, the  
automobile expert, who was engaged by  
General Sir Sam Hughes to purchase  
for the second contingent, has re-  
turned from France, and that he has  
collected, according to media orders  
issued today. He has no longer the  
right to wear khaki. Since the second  
contingent left he has been engaged  
in the militia department in connec-  
tion with the mechanical transport sec-  
tion.

Recently he had trouble with some  
of the officials of the department.  
He criticized their methods of pur-  
chase, and threatened to resign if his  
advice was not followed. He has been  
advised to resign.

### TWO KILLED BY ENGINE.

Lotfield, Alta., Dec. 26.—Two men  
were killed about 7 o'clock this morn-  
ing in the local G.T.R. yards, and a  
third so badly injured that his  
chances of recovery are poor, when  
a hand car, being propelled by the  
locomotive, struck by a light switch en-  
gine returning from Edmonton. The  
men were all section hands. Their  
names are unknown as yet.

### LARGE GREEK STEAMER IS HELD AT GIBRALTAR

Patris, With Six Hundred Pas-  
sengers Aboard, Detained  
During Blockade.

New York, Dec. 26.—The Greek Line  
steamer Patris with 600 passengers  
aboard bound from Piraeus to New  
York, is detained by the British at  
Gibraltar, it was learned today from  
N. A. Galanos, local agent of the line.  
"We have been officially informed by  
the British government that the en-  
tente allies have declared a blockade  
against Greek shipping," said Mr.  
Galanos. "The Patris, we presume,  
will be detained until the blockade is  
lifted."

### DINEEN'S FUR REDUCTIONS.

The annual clearing sale of Dineen's  
furs, an event usually scheduled for  
the month of February, has been  
brought forward this  
season, and beginning to-  
day, all prices are re-  
duced to end-of-the sea-  
son figures. The sale  
will continue for the  
balance of the season.  
"I will the stock is re-  
duced to proportions  
suitable for the early spring  
months," W. D. Dineen,  
Company, Limited, 140 Yonge street,  
Toronto, and 20-22 King street west,  
Hamilton.

### LABOR IS PREPARED TO CONCUR IN NATIONAL SERVICE SCHEME

Ottawa, Dec. 26.—Following the con-  
ference of the labor delegates with  
Sir Robert Borden and R. B. Bennett,  
M.P., regarding national service, it  
was stated the situation had been explain-  
ed satisfactorily. It was also stated  
that the premier would send a letter  
to the labor men but Sir Robert Bor-  
den has found it impossible to do so  
tonight but has promised to commu-  
nicate with the delegates tomorrow,  
after which they will issue a state-  
ment.

### BRITISH MAKE ADVANCE BELOW KUT-EL-AMARA

Cross to Right Bank of Tigris, Consolidate Positions  
and Destroy Arab Gassabs Fort.

London, Dec. 26.—An official state-  
ment on the Mesopotamian campaign  
was issued tonight reading:

"On the 22nd British detachments  
advanced to the right bank of the  
Tigris. Their position subsequently  
had been consolidated and extended  
south and east of Kut-el-Amara.  
"The enemy's trenches on the right  
bank of the Tigris, southwest of Kut,  
have been systematically bombarded.  
Our cavalry by a night march reach-  
ed and destroyed Gassabs fort, 20  
miles southeast of Kut, which had long  
been a base of operations of the hos-  
tile Arabs. Sixty tons of grain were  
destroyed, cattle were captured and a  
number of hostile Arab encampments  
were burned."

### STEAMER MARYLAND'S FATE STILL UNCERTAIN

Steamer and Cutter Have Gone to  
Sinking Ship's Assistance.

New York, Dec. 26.—The coastwise  
steamer City of Savannah, and the  
coastguard cutter, Aqueduct, today hur-  
ried to the assistance of the steamship  
Maryland, which shortly after midnight  
sent out messages stating that she was  
sinking and asking immediate aid. The  
Maryland gave a position about 380 miles  
east of Sandy Hook. The City of Sa-  
vannah was 160 miles south of the po-  
sition given by the Maryland and when  
aid was received and should arrive  
at the City of Savannah at 10 p.m. The  
Aqueduct was at the City of Savannah  
at 10 p.m. and will be some  
hours later.

Since the first call for help no further  
word has been received from the Mary-  
land, and it is believed that the vessel's  
wreck has been put out of commission,  
owing to flooding of the engine room.  
The Maryland, 1822 tons, left Philadel-  
phia on Saturday for London, with a  
cargo of oil and iron pipe, paper and  
other merchandise. She is owned by  
the New York, Philadelphia and Nor-  
folk Railroad Company.

### SEVENTY LIVES MAY BE LOST IN A TORNADO IN ARKANSAS

Little Rock, Ark., Dec. 26.—From 17  
to 70 persons were killed in a tornado  
that struck south central Arkansas  
this afternoon, according to reports  
received here tonight.

Four are known to be dead at Eng-  
lewood, 17 are reported killed at Keo  
and several are reported killed at the  
state convict farm at Tucker.

### OWEN THOMAS GIVES HONORARY TITLE UP

Automobile Expert Caused Some  
Disagreements in Militia De-  
partment.

By a Staff Reporter.  
Ottawa, Dec. 26.—Owen Thomas, the  
automobile expert, who was engaged by  
General Sir Sam Hughes to purchase  
for the second contingent, has re-  
turned from France, and that he has  
collected, according to media orders  
issued today. He has no longer the  
right to wear khaki. Since the second  
contingent left he has been engaged  
in the militia department in connec-  
tion with the mechanical transport sec-  
tion.

Recently he had trouble with some  
of the officials of the department.  
He criticized their methods of pur-  
chase, and threatened to resign if his  
advice was not followed. He has been  
advised to resign.

### GEN. JOFFRE TO BECOME MARSHAL OF FRANCE

French Government Decides to  
Recognize Eminent Services.

Paris, Dec. 26.—The government has  
decided to raise Gen. Joffre to the  
dignity of marshal of France, in re-  
cognition of his eminent services to  
the country. A decree nominating him  
will be submitted for the ratification  
of parliament as soon as possible.  
The title of marshal, therefore, has  
fallen into disuse since the establish-  
ment of the third republic. A bill in  
1873, regulating the army grades, re-  
stricted the rank, but specified that the  
conditions under which it could be  
conferred should be fixed by a sup-  
plementary bill. That bill, however,  
has never been proceeded with.

### ACKWORTH AT OTTAWA TODAY TO CONFER UPON RAILWAYS

By a Staff Reporter.  
Ottawa, Ont., Dec. 26.—W. B. Act-  
worth, the English financial expert  
who was appointed on the commis-  
sion which is examining into the rail-  
way situation in Canada, will arrive  
here tomorrow from New York. He  
will probably remain two or three  
weeks in consultation with Sir Henry  
Drayton and A. H. Smith, the latter  
being the American railway expert.  
Sir Henry Drayton expressed the  
opinion today that the report of the  
commission would not be ready before  
the opening of parliament.

### WRECKED OFF NANTUCKET.

Several Small Craft Sunk or Stranded.

Nantucket, Mass., Dec. 25.—The  
schooner Roger Drury was wrecked off  
Great Point; the schooner Daniel Mc-  
end of the rip off the point, and the  
British schooner Havet, was wrecked  
on the northern end of the rip in a  
northwest gale today.

The Roger Drury, engaged in the  
coastwise trade between New York  
and St. John, N.B., went down off  
the end of the point. Her crew  
launched a small boat successfully  
and landed near the lighthouse, where  
they found shelter.

### CONFERENCE OF ALL DOMINIONS IN FEW WEEKS

Premiers to Be in London Not  
Later Than End of  
February.

### DISCUSS WAR POLICY

Possible Peace Terms and Af-  
ter War Problems to Be  
Dealt With.

London, Dec. 26.—The secretary of  
state for the colonies has sent a tele-  
gram to the dominions explaining the  
purpose of the forthcoming imperial  
conference announced by Premier  
Lloyd George. The telegram explains  
that what the government contem-  
plates is not an ordinary imperial  
conference, but a special war confer-  
ence of the empire.

### POSSIBLE PEACE TERMS.

The prime minister of each of the  
dominions is "invited to attend a se-  
ries of special meetings of the war  
cabinet, in order to consider urgent  
questions affecting the prosecution of  
the war, possible conditions on which  
agreement with our allies, we could  
assent to its termination, and prob-  
lems which would then immediately  
arise."

The premiers are urged to attend at  
an early date—not later than the end  
of February.

### Special War Conference.

Ottawa, Dec. 26.—It is officially  
stated that the home government has  
decided to invite the premiers of the  
overseas dominions to attend a spe-  
cial series of continuous sittings of  
the war cabinet, to consider: First,  
questions affecting the prosecution of  
the war; second, possible conditions  
on which, in agreement with Great  
Britain's allies, we could assent to its  
termination; and, third, problems  
which will subsequently arise. For the  
purpose of these meetings the various  
premiers will be members of the war  
cabinet. It is understood that these  
meetings will be set for a date not  
later than the end of February.

### Special War Conference.

Ottawa, Dec. 26.—The conference of  
the war cabinet of the mother country  
and representatives of the overseas  
dominions to consider urgent questions  
regarding the war's prosecution is to  
be held not later than the end of Feb-  
ruary. In a cable to the govern-  
ment given out tonight the govern-  
ment secretary makes this announce-  
ment and explains that the announce-  
ment is not that of the prospective  
imperial conference, but rather a spe-  
cial war conference to deal with war  
problems. The attendance of the  
prime minister is urged. The cable  
reads:

### May Appoint Substitute.

"I wish to explain that what is  
contemplated by his majesty's govern-  
ment is not a session of the ordinary  
imperial conference, but a special war  
conference of the empire. His maj-  
esty's government, therefore, wishes  
your prime minister to attend a series  
of special and continuous meetings of  
the war cabinet in order to consider  
urgent questions affecting the pro-  
secution of the war, the possible con-  
ditions on which, in agreement with  
our allies, we could assent to its ter-  
mination, and the problems which will  
then immediately arise. Your prime  
minister, for the purpose of these  
meetings, would be a member of the  
war cabinet. In view of the extreme  
urgency of the subjects of discussion,  
as well as of their supreme importance,  
it is hoped that your prime minister  
may find it possible, in spite of seri-  
ous inconvenience involved, to attend  
at an early date, not later than the  
end of February. While the presence  
of your prime minister himself is  
earnestly desired by his majesty's  
government, they hope that if he can-  
not attend, his deputy, or some other  
responsible official, will be able to  
fully consider the questions of nomi-  
nating a substitute as they would be  
a serious misfortune if any  
dominion were left unrepresented."

### Expect Borden to Go.

With the session of parliament con-  
cluding on probably Feb. 1, the attend-  
ance of Sir Robert Borden will not be  
without difficulty, but the importance  
of the war conference is so great as  
to suggest the certainty of the pre-  
mier going across. Two courses would  
be open in that event—either the  
leadership of the house to one of Sir  
Robert's lieutenants or adjourning  
parliament pending his return. Which  
course of action will be taken is not yet  
announced or decided.

There is widespread opinion that  
the deliberations of the latter will  
be very considerably influenced, and  
before the session, it is quite possible  
that there will be poor parleys be-  
tween the parties as to the seasonal  
program and the possible develop-  
ments in connection with it.
