The ability of a great store like the Adams' store to completely equip a home—to supply everything to give to the home the proper atmosphere of comfort and beauty -- to present ample variety in everything, making it unnecessary to go from shop to shop, is one of the factors that have made this store such a permanent success.

"Specialists in Home Furnishing" is not a mere motto in this store, but a living, active principle, a trade phrase correctly denoting the specific character of this store's calling. More than a quarter of a century catering exclusively to the furnishing needs of home makers has given us an experience that is unique; we have devoted all our energies to this business. We know the home's demands from A to Z. Whether you need a single piece of furniture, a rug, or what not, to the entire equipment of the home, to furnish a single room, a suite or a palatial residence, the Adams store will provide it as no other store can do it.

Folks having fine homes to furnish can save themselves much of the usual anxiety and uncertainty by consulting our Contract Department, who will relieve you of as much of the burden as you wish, going so far as to map out the decorative scheme and indicate colors that will be appropriate and harmonious, select the furniture, carpets, electric fixtures, bedding and draperies, make them up for you, hang them, completing your home-even to the wall ornaments, pictures, etc.-supply the linen and

This service in conjunction with our immensely popular Charge Account Plan, is a convenience that cannot well be overestimated. If you are a stranger to this Store, give us an opportunity to show you what we can do for you.
