

PRESBYTERIAN NON UNIONISTS HOLD MEETING

Winnipeg, June 13.—A meeting of the Presbyterian Church Association, which is made up of Presbyterians who desire under present conditions to continue the Presbyterian church in Canada as it is constituted and to postpone or avert the proposed union with other denominations was held today under the chairmanship of Rev. Principal Fraser, of Montreal.

A statement issued says: "On behalf of all who think with us in the question of organic union we renew our declaration of purpose under present conditions to continue the Presbyterian church in Canada with all the rights and privileges thereto appertaining."

"At the same time we are desirous of having a full investigation made into all the legal and executive questions involved in the matter of organic union in order that the whole church may have all the facts at hand before taking any further steps."

The meeting was private. Presbyterian Colleges. Co-operation of the Presbyterian colleges as well as increased co-operation with churches negotiating for church union in the training of theological students was urged in the report of education committee, presented at this morning's session of the Presbyterian general assembly by Dr. D. M. Ramsay, of Toronto.

The financial depression at the present prevailing in the church was stressed, and in making these recommendations and confining appointments to only one—Professor Gaudier, Knox church, Toronto—the committee felt it was dealing with a difficult problem in the best practical manner. The discussion was adjourned.

The case for the lay members of the church was laid before the commission by Dr. A. C. MacRae, of Calgary, who said laymen wanted to know the difficulties facing them at present. He said that when the Presbyterian church would endeavor to make northern Ireland "dry," he attributed prohibition in certain parts of Canada to "the mighty influence" of the Presbyterian church.

Regret was expressed at this afternoon's adjournment of the general assembly.

CORNS Toss Off with Fingers

"Doesn't hurt a bit! Drop a little 'Enezone' on an aching corn, instantly the corn stops hurting, then shortly you lift it right off with your fingers. Truly! Your druggist sells a tiny bottle of 'Enezone' for a few cents, sufficient to remove every hard corn, soft corn, or corn between the toes, and the calluses, without soreness or irritation."

of the Presbyterian church in Canada that the board of home missions had been unable to implement the agreement of last year and pay minimum stipends of \$1,800 to all ministers at mission centres and the assembly went on record as favoring payment of such stipends from April 1, in preference to Oct. 1, the date mentioned in conditional proposals submitted by the board.

Following this decision, Dr. W. H. Sedgewick, Hamilton, convener of the board, tendered his resignation. Dr. Sedgewick complained that while the assembly placed the responsibility of paying minimum stipends of \$1,800 on the board, it did not direct how it could be done.

Although the assembly reached this decision the question is likely to be reopened as Dr. Ephraim Scott, Montreal, gave notice of motion that the whole matter should be reconsidered.

Presbyterian Sunday Schools. The report of the Presbyterian Board of Sabbath Schools and Young People's Societies to the General Assembly, as presented to that body, showed advance along many lines and was marked by a spirit of optimism. This one denomination has an imposing army under its care and nearly 350,000 Sunday Schools, officers, teachers and pupils in 4,000 schools, as well as 100,000 members in 4,000 young people's organizations.

A foreign missionary on furlough was asked what was the greatest change he noticed in the home church since his last visit to Canada. He replied, "undoubtedly, the increase and more intelligent interest taken in the work of religious education throughout the whole church."

The last decade, in fact, revealed a remarkable growth in the place religious education has received in the thought and life of all the Protestant denominations. The Presbyterian being no exception and even during the past year many important forward steps have been taken in the realm of Religious Education.

Among these is the increased emphasis being placed on Departmental Sunday schools which are being made possible by improved Sunday school buildings. This method provides for a graded department of work that is based on modern pedagogy.

The steady development of the graded lesson plan over against the former uniform lesson as another forward step, the number of schools using graded lessons of some form showing a steady increase. It is estimated that 1,000 Sunday schools of all churches in Canada are using some kind of graded material.

The most striking feature of the report dealt with the graded four-fold program for 'ages,' which includes mid-week activities. The Canadian Standard Efficiency Training Programme for Trail Rangers and Trainers, boys, and the Canadian Girls in Training Programme for older girls emphasize the four-fold development of the growing life of youth—physical, spiritual, social and mental. It is a revelation of the success of this modern plan, in which Canada is a world leader, that there are in the Presbyterian Church alone more than 2,000, with over twenty thousand members, carrying on both Sunday and mid-week programmes, with as many more in organized classes following the same of program only, while twenty-five thousand boys and girls, representing the flower of the land, met in conference in 1921 from coast to coast.

CO-OPERATION IN INTERDENOMINATIONAL SUNDAY SCHOOL WORK IS ALSO A GROWING SUCCESS, LEADING UP IN THE RELIGIOUS EDUCATION COUNCIL OF CANADA, WITH BRANCHES IN EVERY PROVINCE AND IN MANY CITIES.

Nearly all the Protestant denominations and the Y. M. C. A. says the report are partners in this great get-together undertaking for the youth of Canada. Its programme also includes courses of Summer Camps and Training Schools that are miniature short term colleges for training leadership.

The report also dealt with the forward movement objectives concerning home religion, training children in worship, increase in Sunday school enrollment, enlistment in church membership and training for leadership and Life Service. Under all these heads, encouraging progress was reported, as well as extension work in the setting up of mission Sunday schools in the sparsely populated parts of the dominion. Yet another modern development was that the weekly religious instruction, including the daily vacation Bible school, which is said, had proved most popular all over the continent.

ANNUAL MEETING OF
CHARLOTTE ST.
BAPTIST CHURCH
The annual business meeting of the Charlotte street Baptist church was held last evening and the reports read from the various branches of the church work were entirely satisfactory. From the reports the outlook is encouraging. The pastor, Rev. R. E. Freeman, in his report, forecasted plans for the fall and winter work which will mean much to the church. All the societies connected with the church reported a favorable balance.

The total receipts amounted to \$6,080.83. The amount contributed to the denominational fund was \$600. The Ladies Aid raised \$265 for missions. There were twelve trustees for the year. For three months the church was without a pastor as the last four months of the year. The election of officers resulted as follows: Clerk, W. P. Hoyt; assistant clerk, Mrs. W. P. Hoyt; treasurer, D. C. Clark; assistant treasurer, Mrs. Trueman Webb; secretary, Verner Warnock; John Rice, Roscoe Melvin, Livingston Campbell, Joseph Taylor, Charles Adams, Jewell Kierstead, Louise Nic, Roland Cos, Alexander Bennett, P. TEACHERS' TRIP TO ROCKIES
Arrangements Made to Pay for Tour on Instalment Plan.
New York, June 14.—To give teachers who desire to become members of the Teachers' Association of the United States a trip to the Rockies, organized by the excursion committee of the Brooklyn Teachers' Association, who are endeavoring to do so because they haven't the necessary money on hand, an opportunity to take this trip by instalment plan was made whereby they can pay for the tour on the instalment plan.

PANIC IN AUSTRIA.
Vienna, June 14.—The enormous increase in the prices of necessities has resulted from the inflation in the value of the krona. A loaf, which in pre-war times cost half a krona, now costs 1,000 kronas. The situation is considered precarious, but there are hopes that a quick grant of extensive credits by the powers will save Austria from a breakdown.

AN INDOOR PICNIC.
The Indoor Outdoor Club of the Y. W. C. A. had a picnic party at the recreation centre last night and afterwards adjourned to the tennis courts where the evening was spent industriously in getting the clubs in order for the hives and outings for the summer was drawn up and the program for the week ending on the 17th of the month was provisionally arranged for. There has now about fifty senior members who are all business girls who find the club a splendid way of having outdoor enjoyment.

GIRLS! LEMONS WHITEN SKIN AND BLEACH FRECKLES

Squeeze the juice of two lemons into a bottle containing three ounces of Orchard White, which any drug store will supply for a few cents, shake well, and you have a quarter pint of harmless and delicious lemon bleach. Massage this sweetly fragrant lotion into the face, neck, arms and hands each day, then shortly note the beauty and whiteness of your skin.

Famous stage beauties use this lemon lotion to bleach and bring that soft, clear, rosy-white complexion, also as a freckle, sunburn, and tan bleach because it doesn't irritate.

COMMON COUNCIL VOTES TO RECLAIM THE OLD MILL POND

Decision to reclaim and later develop the west side mill pond site, provided the estimated cost proves reasonable, was reached at the weekly session of the common council yesterday afternoon, Mayor McLaughlin presiding. This policy, as laid down in a formal resolution introduced by Commissioner Bullock yesterday, is the result of years of persistent effort by the west side people to have the pond reclaimed and later developed for public use.

There was very little discussion by the council concerning the resolution of the matter had been discussed at previous meetings and all the commissioners favored the scheme. The recent building by-law was rescinded. Other routine business was transacted, with all the commissioners present.

An application to erect an electric light sign by the St. John Garage Co., Ltd., was referred to the commissioner of public works for report. J. E. Courtney, of No. 2 salvage corps, having resigned, Commissioner Thornton recommended that his warrant be cancelled and adopted.

An offer to sell the city 100,000 feet of bit logs for \$40 per cord was received from J. A. Gregory and referred to the commissioner of harbor, ferries and public lands for report as to the different sizes and the prices.

The communication from the Union of Canadian Municipalities regarding the annual convention in Winnipeg to be held this year on Aug. 8, was received and read.

The council referred the matter of payment of the hospital bills of Harry McLaughlin, now in the Friction hospital, to Mayor McLaughlin with power to act. Mr. McLaughlin is a citizen of St. John.

Commissioner Thornton read a letter from the N. B. board of fire underwritten in which the fire department is urged to the height of the Mills building now in course of construction in Orange street, provided the estimated cost proves reasonable, was reached at the weekly session of the common council yesterday afternoon, Mayor McLaughlin presiding. This policy, as laid down in a formal resolution introduced by Commissioner Bullock yesterday, is the result of years of persistent effort by the west side people to have the pond reclaimed and later developed for public use.

300 Are Drowned

(Canadian Press Despatch.)
San Salvador, Republic of Salvador, June 13.—Three hundred persons are known to have been drowned and many persons are missing following an abnormal rise in the Acelhuate and Arenal rivers, which overflowed their banks and joined together in one stream, inundating the Candelaris district of this city. Several houses were swept away by the raging torrent.

NOTICE GIVEN OF A RAILWAY CUT

Montreal, June 13.—Notice has been given by the Canadian Railway Association to the representatives of the maintenance of way employees that a downward revision of wages paid to such workers is in contemplation. The association is composed of the Canadian National, the Grand Trunk, the Canadian Pacific and the various smaller corporations and branch lines of United States organizations. The proposal of the companies is to reduce wages from three to five cents an hour from the present rates paid to the various classes of labor affected. This means a reduction of approximately ten per cent and would bring the rates into line with reduced wages for similar classes of labor in the United States coming into effect July 1.

The notice actually given by the association to the men's representatives will make the reductions effective as from June 10 next. The men affected include a total of about 30,000 men in Canada or about twenty per cent of the working force of the lines.

PRIZE WINNERS AT LABOR FAIR

The lot of coal put up as a door prize last evening at the labor fair in St. Andrew's rink was won by the holder of the ticket 4910. T. Nichols won the alarm clock offered as the bag prize and Mrs. J. McCormick won a club bag at the bean toss. The various games were well patronized. The Carleton Place Band played a programme and during the course of the evening about 800 people listened to the fair.

MILBURN'S LAXA-LIVER PILLS will regulate the flow of bile to act properly on the bowels, thus making them active and regular, and removing the congestion and all its allied troubles. Mr. Samuel Ruckler, Tatamagouche, N. S., writes: "For over a year I suffered with constipation. I took several different kinds of medicine, but could only get temporary relief. I was told to try Milburn's Laxa-Liver Pills. I prepared two vials of them, but after I had taken one I found that I was relieved of my trouble. I do not hesitate to recommend Laxa-Liver Pills for any kind of constipation."

SERIOUS WRECK NEAR CHESTER

Halifax, June 13.—Lewis Corkum, fireman, was badly crushed; John MacLeod, driver, was injured, and passengers were severely shaken up when the Halifax and Southwestern passenger train from Halifax to Bridgewater left the track at East River, near Chester, at 2 p. m. The wreck is said to have been caused by a spread rail. The engine toppled over with Fireman Corkum under it and he was not released for an hour. Several of the cars were badly smashed and the road-bed was torn up.

A special train was sent from Bridgewater to take the passengers to their destinations and one went from Halifax to take the injured to hospital here.

How to Beautify Your Complexion

That clever little actress, Viola Dana, who is recognized as an authority on beauty topics, says: "The best and quickest way to obtain a beautiful, rosy complexion is to cleanse the skin at night when retiring with rose cream. In the morning blot with warm water, rinse with cold, dry thoroughly and then apply that famous beauty flatter, Derwillo, which is now used by over five million discriminating girls and women, in place of face powder and other beautifiers." It's the one beautifier which "stays on" and cannot be detected. Perspiration does not affect it, nor will it rub off on clothing.

There is nothing like Laska cold cream for sunburn, dark, sallow skin, tan, freckles, wrinkles and other facial blemishes. "Saved My Little Girl"

Mother tells how her little Ethel's life was saved.

That is what one woman wrote us recently, and then she goes on to say: "Ethel, who is just past eight, caught a bad cold last August. The child is of a singularly strong, nervous temperament and could not be kept quiet in bed. We tried everything we could think of to cure her cough. But, the cough became worse and from a rosy, healthy, sturdy girl she became pale, listless. Nothing we did seemed to stop the cough and by this time regular spasms of coughing had developed. I believe that in short time the cough would have reached the child's lungs. After trying everything I could think of, I saw an advertisement for Carnol, saying that this preparation would build one up. I got a bottle from the druggist and before it was half finished my little girl had almost completely shaken off her cough. Her cheeks began to get their old color. She started to put on flesh again and would run and play all day without being tired. Today, after having taken two bottles of Carnol, she is looking and feeling better than she has ever felt in her life."

Carnol is sold by your druggist and if you can conscientiously say, after you have tried it, that it hasn't done you any good, return the empty bottle and he will refund your money.

Her Mother's Faith in Lydia E. Pinkham's Vegetable Compound Led Her To Try It
Kenosha, Wisconsin.—"I cannot say enough in praise of Lydia E. Pinkham's Vegetable Compound. I had great faith in it as she had taken so much of it and when I had trouble after my baby was born she gave it to me. It helped me so much more than anything else had done to give it a fair trial and I am sure they will feel as I do about it. Mrs. Fred P. Hansen, 663 Symonds St., Kenosha, Wisconsin. A medicine that has been in use nearly fifty years and that recovers the praise and commendation of mothers and grandmothers is worth your consideration. The letters we publish ought to convince you; ask some of your women friends or neighbors—they know its worth. You will, too, if you give it a fair trial."
