100 KING STREET

The Retail Store :: :: St. John, N. B.

Tomorrow—

### A Millinery Sensation

A specially selected group of very distinctive trimmed hats, very smart and new styles from our own workrooms and from New York. Wonderful hats in large floppy brims, novelty shapes, narrow brimmed hats, and off-the-face styles. The materials—lace and japs, fancy woven braids, fine glossy straw, Milan and these materials sometimes combined with crepe. The trimmings—edaphane, raffia, fruit, flowers, grassy effects ribbons and ornaments. The colors—complete variety of all the favored ones. Why, it reads like a presentation of the season's most expensive creations. Frankly, we can't think of as an attractive special \$5 to \$7.50 trimmed hat showing this season.

appreciated.

### LOCAL NEWS

#### DEATH OF CHILD.

Many will sympathize with Mr. and Mrs. Fred Orr in the death of their infant son, Frederick Edward, which occurred on Thursday of bronchial pneumonia.

#### MONDAY'S ELECTION.

Preparations for Monday's election have been about completed. Commissioners will be sworn in and ballot boxes and instructions issued by the common clerk tomorrow.

#### BURIED TODAY.

The funeral of Miss Eliza Gordon took place this morning from Fitzpatrick's undertaking parlors to the Cathedral, where requiem high mass was celebrated by Rev. Simon Oram. Interment was made in the old Catholic cemetery.

#### NEW C. N. R. POLICEMAN.

Norman Barden of Sussex was sworn in this morning by Magistrate Ritchie as a C. N. R. policeman to do duty on Long wharf, in place of Policeman Jeffery, who has resigned. Policeman Barden is a returned soldier who saw much service overseas.

#### NOVELTY SHOW.

About thirty of the staff of the F. W. Wauchope Co. gathered at the home of Mrs. C. P. Linton of Fairville and tendered Miss Irene Kimble a novelty show, in honor of a happy event in the near future. Miss Kimble was made recipient of a large basket handsomely decorated and filled with many useful gifts. A very pleasant evening was spent.

#### LAST OF SEASON.

The last of the series of winter season socials of the Young People's Association of the Church of the Good Shepherd, Fairville, was held last evening and took the form of a masquerade dance. The costumes were original and beautiful and some very good representations were made. Referees were Mr. and Mrs. W. B. Meynell, Mrs. C. McKel and Nursing Sister McKel were chaperones.

#### PLAN BETTER FACILITIES.

W. R. Devenish, general superintendent, and M. P. Tompkins, general freight agent with the C. N. R., Moncton, were in the city today, their visit having to do largely with increased yard facilities here. Mr. Devenish said that new tracks will be laid this summer and it is planned to start the work as soon as possible. The intention is to provide better facilities for handling the increased amount of freight expected through this port next winter.

#### LEAVING FOR THE WEST.

Harry H. Ponton, who was on the staff of the headquarters of the military district here for some time after his return to Canada, will leave this afternoon for the west accompanied by his wife and their children. Mr. Ponton, after demobilization, was with Gunn's Ltd. He has many friends in the city who will wish him all success in his new home.

#### SOUTH END PLAYGROUND.

The executive of the South End Improvement League met last evening with C. M. Lingley in the chair. It was decided to hold a public meeting next week to interest south end people in the playground. The tall winter storms, there is a good deal of leveling to be done on the field and equipment provided. Because the weather broke badly in the latter part of the skating season the league has a deficit in connection with the skating rink and the shack built as a dressing room.

#### MINNEBOSA SAILING.

The C. P. O. S. liner Minnebosa is scheduled to sail this afternoon at four o'clock for Liverpool with more than 1,100 passengers. The Montreal train, No. 16, is coming to the city today in three sections with passengers for this steamer. It will be her last trip from St. John this season. Among the passengers will be His Lordship Bishop Schofield and Mrs. Schofield of Victoria, B. C., who have been visiting H. W. Schofield in Rothesay. They expect to be away for about six months. Other passengers will be Miss Hamford, Leslie Peters and Victor Crosby, and Mr. and Mrs. Short, all of this city.

#### MAWHINNEY-BAIN.

A wedding of much interest to friends and relatives was solemnized last evening at the residence of the groom's brother, H. J. Mawhinney, Harding street, Fairville, where Percy Earle Mawhinney of Chance Harbor, N. B., was united in marriage to Miss Mary White Bain of Edinburgh, Scotland. The house was prettily decorated with bunting and cut flowers. Rev. A. S. Bishop officiated at the ceremony, and at the conclusion R. T. Mawhinney sang The Voice That Breathed Over Eden. A tastefully arranged supper was served. The bride looked winsome in a gown of white silk chenille, and carried a bouquet of white carnations and pink sweet peas. She was escorted by H. J. Mawhinney. The groom served four years with the C. E. F. and is at present employed in the government service. His bride, who was a passenger on the last trip of the steamship Metagama, was employed on the office staff of Traill & Fletcher in Edinburgh, from whom she received a beautiful remembrance in silver. Many other useful and handsome gifts in silver and cut glass were received, testifying to the popularity of the bride in her own home as well as here where she has made many friends. The groom's gift to the bride was an amethyst brooch. After a short visit to the groom's parents at Chance Harbor, Mr. and Mrs. Mawhinney will reside for the present at 29 Harding street, Fairville.

#### PLAN CITY MEDAL

##### FOR LIFE SAVING

The establishment of a permanent form of recognition for life saving and other deeds of gallantry is now under consideration at city hall. It is likely that in the near future the city will have prepared medals in gold, silver or bronze bearing on one side the arms of the city and the reverse being used for an inscription detailing the deed for which it is awarded. It is felt that the new scheme will place a higher value on the acts of saving human life than that established by the presentation of watches and other articles, and the matter is receiving favorable consideration.

Quebec, April 23.—In a letter to Hon. L. A. Taschereau, Sir Lomer Gouin announces that he will sail on May 14 from Liverpool on the Minnebosa.

### HOME AFTER GRAND ORANGE LODGE SESSIONS

Something of the Work Done at Woodstock Meetings—Annual Grant to Orphanage in West St. John.

Local delegates to the sessions of the Grand Orange Lodge, which took place this week in Woodstock, returned to the city yesterday. Included among them were Robert Mills, grand treasurer; W. H. Sullis, newly elected grand secretary; J. Starr Tait, S. B. Budin, Francis Kerr, C. B. Ward, J. E. Arturs, K. B. Spears, J. King Kelley, Isaac Mercer, D. Hipwell, E. H. Heuniger, as well as others from various parts of the county and from points in other parts of the province.

Many matters of interest to the Orange order were dealt with at the sessions and the delegates were kept particularly busy. The statistical reports, it was said today, were still incomplete but an increased membership was reported and a balance of some \$16,000 reported in the funds. An annual grant of \$2,000 was made to the St. John Protestant Orphanage in Carleton. The work done by a special committee in this connection was sustained. It was reported that \$12,000 had been raised within the order for this institution. A liberal grant was made to the "Frederick" aid. Neil J. Morrison, who retired as grand secretary, has been twenty-two years in that office, during which time he has rendered capable and painstaking service. He is known to Orangemen all over the province and held in esteem by all. L. A. Palmer, grand master, was empowered to represent the grand lodge at the supreme convention in Calgary and all officers of grand lodge are privileged to attend also if they desire. There were 110 delegates present at the sessions and much business was accomplished.

### THREE CHARGES AGAINST HIM

Young Denies and Says He Was Assaulted by Complainant.

In the police court this morning, Thos. Young was charged by Pearl Cummings, 10 Brunswick street, with threatening to cut her throat, also charged by Ernest Doucette with using threatening language and charged by Alfred Surtette with assaulting him and threatening to stick him with a knife. The three complainants gave evidence to the respective charges and the defendant denied them, saying that they assaulted him and would not allow him to pass by them to his home.

Sergeant McLeese said that the accused told him last night when he arrested him that he sustained a cut on his ear, alleged to have been inflicted by one of the complainants, while his work in German street. The case was postponed and the accused was remanded.

John V. Lynch and Joseph Fitzgerald, charged with fighting on Rodney wharf, in Main street, were fined \$8 each or two months in jail.

### BABY CLINIC AND NURSES' SCHOOL

Important Developments in Connection With Work of Victorian Order Expected Soon.

Through the efforts of the minister of health and the Victorian Order of Nurses, St. John, is to have in the near future not only a baby clinic but a school at which nurses are to be trained and thereby do away with the necessity and delay of sending to Upper Canada to replace members of the staff doing duty in the city. This was the statement made by Commissioner Bullock, one of the members of the board to a Times reporter this morning.

He said that during this session of the legislature, Hon. Dr. Roberts would ask for an appropriation of \$2,000 towards the establishment of the baby clinic, which would be established in the new home of the order in Carleton street. Here it is proposed to have periodical lectures for mothers and here also treatment will be given to children. It is felt that this method will be much superior to the present scheme of visiting the ailing children in their homes as more up to date and thorough equipment can be kept on hand.

Provision has been made by the order some time ago for the establishment of a school for nurses and it is understood that \$5,000 has been set aside from a fund held by the headquarters of the order for the work in this city. Following the permanent institution of the school, it is said, its maintenance will be taken care of partly by grant from the provincial government. It is felt that this is a most important and progressive line and the results should be beneficial. At the present time there are seven nurses at work in the city, five residing at Haymarket square and two on the west side. They will occupy their new home about May 1.

#### Warns U. S. About Pulpwood.

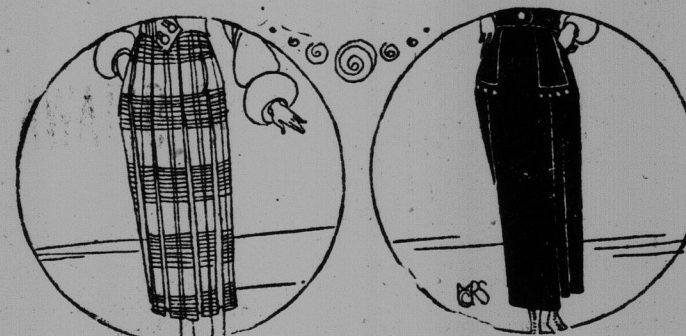

Washington, April 23.—Calling attention to the heavy increase in pulpwood imported from Canada last year over 1918, Colonel Wm. B. Greeley, recently appointed chief forester of the United States, warns the United States of the seriousness of its timber situation. He recommends that the system of conservation used in France be adopted in America.

55-57-59 KING STREET

### Got Your Supply of Sanolin Yet?

Lots Did!

An Ideal Floor Covering of Many Features

Seems to be reversing matters to have a sale in advance of a season, rather than at its conclusion—especially where that season calls for Floor Covering. But here at present it's different. Freight congestion and slow movement of orders from the manufacturing centres have created a situation extremely favorable to the people of St. John, because on top of an already overstocked warehouse comes an extra large order of Floor Covering and, frankly, we haven't the space to accommodate.

Scores have already taken advantage of the opportunity afforded, and scores will do so tomorrow, so be one of them.

SANOLIN dries water, will not curl or turn up at edges, pliable to an extreme, and is quickly winning its place in the favor of the particulars.

Regular price, \$1.50 a yard—Stock-reducing Price here, \$1.15 a square yard, in two yard widths.
