ARE FREED FROM BANDITS; HALF RANSOM SAVED

American Aviators Who Were Seized in Mexico

Put Horses to Gallop, With Cavalry Captain Who Brought the Money, and Got Off Safely—Tell Story of Capture

Marfa, Texas, Aug. 19.—Lieutenants H. G. Peterson and Paul H. Davis, aviators of the United States army, held captive for more than a week by Mexican bandits, who demanded a ransom of \$15,000, were rescued early this morning by Captain Matlock of the Eighth Cavalry, who, according to the telegram, made the journey into the Mexican rendezvous unaccompanied. The men are safe in American territory.

Captain Matlock brought back with him one-half the ransom money. He said after Peterson had been released, Davis was brought forward by the bandits, and the two mounted Captain Matlock's horses. The bandits demanded the remainder of the ransom money and Captain Matlock and Davis answered by riding rapidly away.

The Americans landed on the American side of the river, said Lieutenant Peterson. Upon their arrival at Candalaria a week ago their engine developed trouble and they were forced to land, smashing their landing gear and fuselage in doing so.

The two aviators then tried to find their way to the nearest army camp, and became confused. They walked and swam down the Rio Grande during Monday, then purchased Mexican burros after Peterson developed a fever. They had started for Candalaria when overtaken by a band of armed bandits. They continued on their forced journey on Friday night, when, he said, the bandits compelled the aviators to write messages demanding ransom and telling of a death threat. They were unharmed.

NATIONAL LABOR PARTY IN STATES MAY BE FORMED IN NOVEMBER

Chicago, Aug. 19.—A national labor party will be formed at a convention here in November as a result of steps taken yesterday at a conference of labor organization representatives of several states.

A temporary executive was named to call the convention on the basis of one delegate to each central labor body, and one delegate for every 500 members of all labor party groups and all local unions. From 2,500 to 3,000 delegates are expected.

War Must Result. Washington, Aug. 18.—It was the unanimous opinion of American experts in Far Eastern affairs at Versailles that war must result from the peace treaty provision giving Japan control in the Chinese provinces of Shantung, the senate foreign relations committee was told today by Thomas F. Millard, an American writer who was attached to the Chinese peace delegation.

WRECKED 173 BRIDGES. Paris, Aug. 19.—(French Wireless Service).—There were 173 bridges destroyed during the war. The Somme bridges will be the first to be restored. Five of them have already been completed.

Size and Looks Don't Count. William Grapejuice Bryan was speaking of great men and things. He used the old adage of "handsome is as handsome does" and pointed out that Lincoln, though great was not handsome.

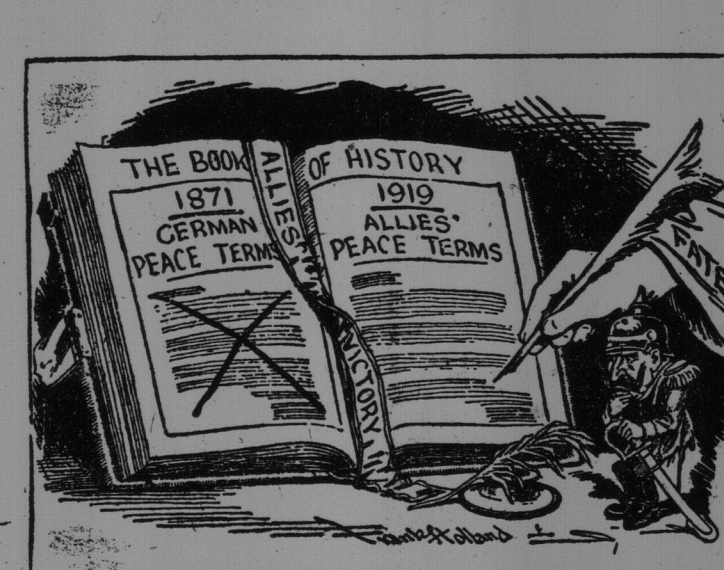

"And," he added, "that reminds me of the modernized version of Cinderella. Said the prince: 'My wife has the smallest foot in the kingdom.' 'Ah,' sighed the courtier, 'it is true.' 'But,' continued the prince, 'she can put it down as hard as anyone.'"
