

## ENDORSES MOVE AT CITY HALL

Citizen Urges Punishment  
for Scratching Matches  
on Buildings

North End Asks for Bigger Re-  
presentation on Board of  
School Trustees

Endorsement of a suggestion by  
members of the council that steps  
be taken to enforce the by-law against  
the throwing of rubbish on the street  
and defacing buildings by scratching  
matches on them was contained in a  
letter read yesterday at the council  
meeting by Commissioner Harding. It  
was written by C. H. Newell.

**The brush  
that  
penetrates  
as it brushes**

THIS hair brush is made so that  
it penetrates through the hair  
and smooths out the tangles  
quickly and easily. After a few  
days you will notice that the hair  
becomes a clean-looking and  
glossy. It will have that well-  
cared-for look. A few easy  
strokes with this brush are more  
effective than long minutes of  
brushing with an ordinary hair  
brush.

Deep brushing when you  
can feel the brush on your scalp  
—that is the sort of brushing  
that stimulates the scalp, keeps  
it free from dandruff, and pro-  
motes the health and beauty of  
the hair.

The Pro-phy-lac-tic is the  
brush that gives all the benefits  
of deep brushing and scalp mas-  
sage.

Examine this brush at any  
store where brushes are sold.  
Always sold in the yellow box.

## Pro-phy-lac-tic Brushes

## Better LAWNS FLOWERS VEGETABLES POTATOES and other field crops

We receive dozens of  
letters like this—  
Toronto, Ont.,  
Sept. 8, 1924.  
Dear Sir:—  
This summer having seen  
testimonials from several  
people that had used  
your Soilgro, I decided  
to procure some and give  
it a fair trial, which I  
have done with excep-  
tionally good results.  
I may say I was some-  
time managing the Horti-  
cultural Dept. at Mac-  
donald College, Ste.  
Anne de Bellevue, Que.,  
and had considerable  
experience in this kind  
of work. I consider  
it as a fertilizer for all  
kinds of flowers, vege-  
tables and lawns, the  
best I have ever seen.  
(Sgd.) T. J. GIBBS.

Have a green velvety lawn; glorious  
garden flowers; big, healthy, earlier  
vegetables. Increase your yield of po-  
tatoes, roots or field grain.  
Use Soilgro — the new scientific plant  
food. Soilgro is cheap, easy to apply,  
wonderfully effective. Its results are  
truly amazing.

**Soilgro feeds any  
plant that has roots**  
It consists of beneficial bacteria which  
stimulates and increases plant growth. It  
can be used with or without fertilizers  
with good results. For the man in town  
therefore, it eliminates the mess and ob-  
jectionable odor of barnyard manure on  
his lawn or garden.

Send a \$5.00 cheque or money order for  
enough Soilgro to last all summer on a  
good sized lawn, garden or acre  
and a half of potatoes, roots or grain.  
Agent for New Brunswick and Nova Scotia  
ANGLO-CANADIAN CHEMICAL CO.  
Phone M. 3877. Saint John, N. B., P. O. Box 21.

## Soilgro

To make two blades grow where only one  
grew before is the work of Soilgro

## SNAP rolls out the dirt

The World needs  
the Man who'll  
soil his hands—  
but it likes him to  
clean them after.

which collapsed recently, at the coun-  
cil chamber for inspection. He said  
the sewer was being cleared now from  
the earth which had fallen into it and  
soon he would be in a position to tell  
how much of the cover would have to  
be removed. This sewer was laid in  
1874 and the sides and bottom are as  
good as new.

**Report on Pavement.**  
Commissioner Prink said he would  
at the next meeting of the council  
bring in a report on the pavement of  
Douglas avenue. He had been giving  
consideration to ways and means of  
financing the job and while he was not  
in favor of spreading payment for street  
work over a term of years, in view  
of the opposition to bond issues at the  
present time he would probably recom-  
mend that payment for the work be  
made in this manner.

**Wants Damages.**  
Roy A. Davidson wrote on behalf  
of his client, Charles H. Oatey, claim-  
ing \$50 for damage alleged to have  
been done to his house in Somerset  
street by blasting operations carried on  
by the Civic Power Commission. This  
was referred to the power commission  
for a report.

The Civic Power Commission wrote  
that George H. Simpson had been  
elected a member of the commission  
to represent the parishes of Simonds  
and Lancaster, and asked the council  
to confirm this selection. The election  
was confirmed.

A petition from residents of North  
End asking that the representation of  
that part of the city on the Board of  
School Trustees be enlarged was laid  
on the table until the next appoint-  
ment was to be made, which would  
be in July next, the term of S. W.  
Palmer expiring on June 30, 1925. Mr.  
Palmer was elected to complete the  
term of the late George E. Day.

On motion of Commissioner Harding  
the application of George H. Ellis for  
permission to install an additional tank  
and pump in his place of business,  
Waterloo street, was granted.

## ASSASSIN GIVES UP

Acts After Finding She Slew  
Wrong Man; Editor at Paris  
is Victim.

PARIS, May 27.—Ernest Berger,  
treasurer of the newspaper L'Action  
Francaise, today fell a victim to a mad  
woman's bullet intended for one of his  
chiefs, Leon Daudet, leader of the  
Royalist Association and editor of  
L'Action Francaise, or Charles Maurras,  
co-editor.

The assassin was a woman named  
Bonnet, a domestic 44 years of age.  
He is believed to have fired the city in his  
automobile after the alleged attack and  
New York police were notified, as he  
has many friends there.

The girl says that Furcolo drew a  
razor across her face, springing out of  
his car and attacking her without any  
warning. After the attack, Miss Har-  
rington ran screaming down the street,  
until an autoist finally picked her up  
and took her to her home.

## Rejected, Slashes Girl With Razor

SPRINGFIELD, May 27.—Police are  
looking for Ralph Furcolo, 40, one of  
the best known Italian business men  
of the city, who is accused of having  
slashed and disfigured Miss Madeleine  
Harrington, 20, of 18 Margaret street,  
because she rejected him as a suitor.

He is believed to have fired the city in his  
automobile after the alleged attack and  
New York police were notified, as he  
has many friends there.

The girl says that Furcolo drew a  
razor across her face, springing out of  
his car and attacking her without any  
warning. After the attack, Miss Har-  
rington ran screaming down the street,  
until an autoist finally picked her up  
and took her to her home.

## HEIRESS IS MISSING

Girl Disappears After Courts  
Grant Control of \$1,200,-  
000 Estate to Guardian.

MIAMI, Okla., May 27.—Maude Lee  
Mudd, 16 years old Indian heiress to an  
estate of more than \$1,200,000, has  
disappeared from the home of her  
mother, Mrs. Susan Bomberly and the  
authorities have been unable to find  
any trace of her.

The disappearance of the girl fol-  
lowed on the heels of a writ of pro-  
hibition granted Thursday by the State  
Supreme Court, barring District Judge  
J. J. Smith, Mrs. Bomberly and her  
husband, Levi Bomberly, from at-  
tempting to interfere with William  
Stimms of Vinita, United States Pro-  
tective Attorney and guardian of the  
heiress, in the custody of the ward.

The Indian Department at Washing-  
ton has been notified of the girl's dis-  
appearance and requested to assist in  
restoring her to the custody of her  
guardian.

The girl's disappearance became  
known late Friday after Sheriff Simp-  
son had spent several hours trying to  
find her so that he could serve a copy  
of the Supreme Court's writ upon her.

## Brantford Arro-locks Defy Roof Enemies

WIND, rain, frost and fire—all the  
natural enemies of a roof are  
ineffective against Arro-lock slates.

Arro-locks are locked on. Wind or frost  
cannot harm them. Fire insurance  
companies class Arro-locks as "non-  
combustible." They are proof against sparks  
from locomotives, threshing machines, etc.  
Hot sun does not warp Arro-locks.

Arro-locks are economically put on. No repairs,  
painting or staining are necessary. Permanent,  
durable and good looking through the years.

Distributed under Brantford Roofing Trade  
Marks through Brantford Roofing dealers. Stock  
carried, information furnished, service ren-  
dered by our dealer in your district.
