BOARD OF HEALTH SURVEY OF THE CITY

At a special meeting held yesterday afternoon the board of health decided to follow the suggestions made at the last regular meeting by the housing committee of the board of trade, and have the health officials make a comprehensive survey of certain sections of the city to learn exactly the housing conditions.

The board agreed that the health officers should conduct the survey if the board of trade will bear the burden of the expense. When the suggestion was first made T. H. Estabrook, one of the committee, said he was quite sure the board of trade would pay the expense, so it is likely the arrangement will be satisfactory all round.

The committee from the board of trade met the members of the health board they left with a statement which W. F. Barditt, another member of the board of trade committee, had read, showing what the committee thought it was necessary to secure in the survey, including the size of the lots, the size of the houses, size of rooms, number of persons living in houses, sanitary conveniences, etc. It is along these lines that the health authorities will conduct the survey, and the work will be begun as soon as possible.

CANADIAN CLUB SPEAKERS

At a meeting of the executive of the Canadian Club on Monday arrangements were made for a meeting on January 5, in the assembly rooms, York Theatre, at which H. B. Ames, M. P., will give his address with limelight views on the British navy. There will be no luncheon, and the meeting will be at 8 o'clock, and the members of the Women's Canadian Club invited.

The secretary was authorized to communicate with A. Thompson, M. P., Michael Clark, M. P., and C. H. Cahan, relative to their possible appearance before the club early in the new year.

H. C. Rankine, J. S. Harding and Edward P. Scully were elected members of the club. Those present at the executive meeting were Rev. G. A. Kühring, Richard O'Brien, Geo. A. Anderson, James Jack, Rev. J. J. McCaskill, H. A. Porter and A. M. Belding.

THE FORT HOWE PARK

The committee having the matter of Fort Howe park in hand met yesterday with Archdeacon Raymond in the chair. The others present were Mrs. E. A. Smith, Mrs. Geo. F. Smith, Miss Travers, Geo. A. Henderson and A. M. Belding. Reference was made to the success of the Fort Howe evening at York Theatre and the very great interest it had aroused among the citizens in the park scheme and in the early history of the locality.

It was decided to send reports of that meeting from the press, along with the resolutions adopted, to the minister of the interior, to J. B. Harkin, and to Hon. J. D. Haas and Hon. William Pugsley. Dr. Raymond was also authorized to write Commissioner Harkin and Hon. Mr. Haas relative to the next step necessary in order to secure if possible the placing in the estimates of a sum sufficient to make a good beginning next year at the work of converting Fort Howe into a park.

MORNING NEWS OVER THE WIRES

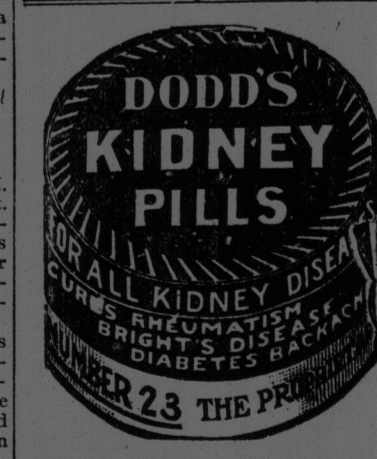

Mrs. H. A. Hilyard and Mrs. G. H. Lounsbury, while travelling from St. John to Dalhousie this week, lost a considerable number of Christmas presents which they had bought, as well as other baggage. They had their trunks checked but when the trunks reached Dalhousie the baggage was missing.

Dr. H. A. Kelley of John's Hopkins University last night announced in Philadelphia at a gathering of eminent physicians that radium will positively cure cancer, and told of a case where he had caused the recovery of a patient within forty-eight hours in this way. At present the cure can be applied only to superficial cancer in its early stages.

The prayer of the petitioners was refused in two cases in the divorce court at Fredericton yesterday and they were dismissed. They were the cases of Leeman vs. Leeman, and Hawthorne vs. Hawthorne. His Honor Judge McKeown, said he considered that in both cases the evidence lacked corroboration. The case of Alex. Magee vs. Adelaide Magee was concluded and judgment will be delivered January 20. Two other cases, Alberta Fenwick vs. Eva Case, Fenwick and Edgar Case vs. Eva Case, were undefended.

Calgary Bond Issue

Subscriptions are being invited for an issue of \$356,400 Calgary Power Company, Limited, five per cent. first mortgage bonds at 90 to be part of a total issue of \$616,400 bonds to mature on January 1, 1940. The income from the power supplied to the city of Calgary alone is expected to exceed the entire annual bond interest. The Royal Securities Corporation is offering the bonds for sale.
