LOVELL'S DOMINION AND PROVINCIAL DIRECTORIES.

To be published in October, 1870

NOTICE.—Learning that my name has been unwarrantably used in connection with the Directories now being canvassed in the Provinces, and entirely distinct from my works, and that in other cases it has been stated that my Directories have been abandoned, I would request those desirous of giving a preference to my works to see that persons representing themselves as acting for me are furnished with satisfactory credentials.

LOVELL'S DIRECTORIES.

It is intended to make these Directories the most complete and correct ever issued on this continent. They are not being prepared by geographical, but by Personal Canvass, from door to door, of my own Agents for the requisition of information. I have now engaged on the work in the several Provinces Forty Men and Twenty horses. These are engaged mainly on the towns and villages of the Railway and Steamboat routes, important places on the lines using land till the completion of the former, to admit of correction to latest dates.

I anticipate issuing, in October next, the Canadian Dominion Directory, and Six Provincial Directories, which will prove a correct and full index to the Dominion of Canada, Newfoundland, and Prince Edward Island, and a combined Gazetteer, Directory and Hand Book of the six Provinces.

CONSUMPTION,

and acknowledged by many prominent physicians to be the most reliable Preparation ever introduced for the RELIEF and CURE of all

LUNG COMPLAINTS.

This well known remedy is offered to the public, sanctioned by the experience of over forty years; and when resorted to in season, seldom fails to effect a speedy cure of

- Coughs, Colds, Croup, Bronchitis, Influenza,
- Whooping Cough, Hemorrhages, Pains or
- Soreness in the Chest and Side,
- Bleeding at the Lungs,
- Liver Complaints, &c.

The unequalled success that has attended the application of this medicine in all cases of

PULMONARY COMPLAINTS

has induced many physicians of high standing to compare it in their practice, some of whom advise us of the fact over their many patients. We have space only for the names of a few of these:—

ALEX. HAYDN, M.D. A. A. GIBBS, M.D.

Such testimony CANNOT BE DISCREDITED.

From the mass of evidence in our possession we select the following:—

From L. J. RACINE, Esq.,

of Le Motier, Montreal. "Having experienced the most gratifying results from the use of Dr. Wistar's Balsam of Wild Cherry, I am induced to express the greatest confidence which I have in its efficacy. For nine months I was most cruelly afflicted with a severe and obstinate cough, accompanied with acute pain in the chest, which did not leave, summer or winter. The symptoms increased alarmingly, and so reduced was I, that I could not leave my room, and I was unable to recover from the pain and fatigue which an slight exertion would induce. I had been advised to take the Balsam, from which I found immediate relief, and after having used four bottles, I was completely restored to health. I have used the Balsam in many cases of pulmonary complaint, and in every case it has been successful. I am sure that such Canadians as use the Balsam will find it to be a most reliable remedy, and that it has only to be tried to be acknowledged as the remedy par excellence."

A CURE FOR WHOOPING COUGH.

Dr. HASTINGS, C.E., Aug. 11, 1868.

Mrs. SETH W. FOWLE & SON,
Gentlemen.—Several months since a little daughter of mine, ten years of age, was taken with Whooping Cough in a very aggravated form, and nothing we could do for her seemed in any way to relieve her suffering. We at length decided to try a bottle of Dr. Wistar's Balsam of Wild Cherry. In three hours after she had commenced using it, she was greatly relieved, and in less than three days was entirely cured, and is now well. We are much indebted to you for the Balsam, and know it full of efficacy a speedy cure. I am sure that such Canadians as use the Balsam will find it to be a most reliable remedy, and that it has only to be tried to be acknowledged as the remedy par excellence."

Yours,
Proprietor of the Courrier de St. Louis.

Clerymen, Lawyers, Singers,

and all those whose occupation requires an unusual care of the vocal organs, will find this the ONLY Remedy which will effectively and instantaneously relieve their difficulties. This Remedy, unlike most others, is so truly

PLEASANT TO TASTE.

A small quantity allowed to pass over the irritated part at once removes the difficulty.

Beware of counterfeits and imitations.

Remember, they imitate in name only, without possessing the virtues. May none mislead you! "Beware" on the wrapper.
