MASONIC ENGAGEMENTS.

April, 1890.

The following meetings will be held at the Masonic Hall, Germain street, during the present month at 8 o'clock in the evening:

Tuesday, 22nd—Twenty-third Annual Communication of the Grand Lodge of New Brunswick, at 11 o'clock, a. m.

Wednesday, 23rd—Third Annual Convocation of the Grand Royal Arch Chapter of New Brunswick, at 11 o'clock, a. m.

THE UNION ATHLETIC CLUB, not the Union Lacrosse club, meet at their rooms King street, this evening.

ADAMS AND GREGORY'S MILL at Carleton will start on Thursday. A supply of logs will reach the mill tomorrow.

GRASS ON FIRE.—The firemen were called out about one o'clock today to extinguish a fire in some grass in E. J. Quinn's garden at the east end of Union street. No damage was done.

MRS. JAMES LOWERY, of Douglas, who is over 90 years of age, fell down cellar last Sunday breaking a leg and sustaining other injuries. Dr. Crocket was called and attended to her injuries. It is not thought she can recover.

PUT IN THE WATER.—The custom of washing the hose carts and fire apparatus on the sidewalk in front of the City Road engine house, is a nuisance. If a water tap was placed in the engine house barn the wagons could be washed in the yard.

THE HIGHEST PRICE paid for potatoes in the town of Fort Fairfield was $2.87 per barrel; they now stand at $2.30 per barrel. The farmers are now going in for planting on a larger scale than ever. Where one man planted 40 acres last year he will plant 60 this year.

SHIP VANCOVER, Capt. McNeil, arrived this morning from Cape Town via Shelburne. She was 55 days to Shelburne and left there at 10 o'clock on Saturday night for this port. She had N. E. gales off George's and on Tuesday and Wednesday last off Shelburne had heavy N. W. winds.

PRESENTED A LIBRARY.—Mr. Morley McLaughlan has presented the infant class of Centenary Sunday school with a library. The books are finely gotten up, nicely bound with pictures on the outside. The stories in the books are by leading writers of juvenile literature. The class is making fine progress under the tuition of Mrs. McLaughlan. A post office system has lately been established and proves very interesting for the little ones.

PILING.—A large amount of piling has been cut during the past winter in various parts of Queen's County for James D. Leary. Hugh McLean and G. G. King at Salmon River, have cut large quantities and thousands of sticks have been secured by other parties about Gagetown. The piling will be arranged into cribs, about 600 sticks in a crib. Nearly 30,000 sticks have been cut and when the water rises early in May the piling will be towed down and arranged for towing to New York. Three large steamers are to come from New York to tow the cribs of piling on.

A NEW CONDENSER.—Tug Dirigo has received a new condenser. The pump is one of the circular and air combination kind and throws a 6 inch stream and is 12 inch stroke. The steam end of the pump is 8 inches in diameter, the air end 10½ inches and the water end 10 inches. The condenser is 3 feet 8 inches in diameter and has 700 copper tubes. It weighs 7 tons. The idea of the condenser is to change the tug from a high to a low pressure boat. Her old tanks were capable of holding seven tons of water, while the condenser will hold two tons. The boat will now be 12 inches higher out of water. The Dirigo is to go to Fredericton for six or seven weeks, where she will work towing the booms.

FELL FROM A YARD.—Bark Annie Burrill arrived this morning from Buenos Ayres after a passage of 68 days. She had fine weather to the equator, thence strong N. E. trades. The Burrill was 10 days between George's Shoal and Seal Island, during which time heavy northerly gales were encountered. Capt. Trefrey reports that on April 3, at 8 p. m., in lat. 27.43, n. lon 63.30 w, William Jones, (colored) an able seaman, while assisting to reef the upper foretop-sail, during a N. E. gale, fell from the yard to the deck and was killed. He had his neck, right arm and right leg broken by the fall. He was buried at sea. Jones was a native of Norfolk, Va., and was 40 years of age.

ROSES.—Mr. Jones' store on Germain street had a magnificent display of roses to-day, the major portion of which were for a society event which takes place tomorrow morning. The roses for the bride are Bride's (a beautiful white kind) and those for the bridesmaids Pearl de Jardin—a rich yellow variety. These are all cut with very long stalks and will be tied up in loose bunches in admired disorder. Amongst the other varieties of roses are Jacqueminots, La France, Mareschal Neil, &c., &c. There is no doubt that the Jones' Nurseries at Torryburn are now producing as splendid specimens of the rose as can be found on the continent.

PELEE ISLAND Co.'s Grape Juice is invaluable for sickness and as a tonic is unequalled. It is recommended by Physicians, being pure, unadulterated juice of the grape. Our agent, E. G. Scovil, Tea importer, No. 13 North Wharf, can supply our Brands of Grape Juices by the case of one dozen.

That Cow Question.

TO THE EDITOR OF THE GAZETTE—

Sir,—I make the answer of Mr. S. Kerr's question to be $5 gain, providing that the cow is worth $32 when he buys it for $30.

Yours,
STUDENT.

To the Editor of The Gazette:—

Sir,—Please allow me to state another view of Mr. Kerr's cow question: If A. purchases any piece of property of B. for any price and sell same to C. for $35, and before sufficient time has elapsed for it to depreciate in value, which of course is contemplated by the question, takes back the property at $30, I consider that he has made $5. Certainly C. has lost $5 and A. must have gained that sum. Because A. purchases back at a reduced price of C., who finds that he does not want the property after buying it, does not alter the value thereof. A. has the same property and $5 more than he had, therefore, according to my understanding, has clearly made that amount. If A. had paid back to C. the full sum of $35 he would clearly have been just as well off as before he sold; but he paid only $30, therefore, according to my calculations, must be gainer in the sum of $5.

Yours,
A. N. D.

TO THE EDITOR OF THE GAZETTE:—

Sir,—I do not think the problem absolutely solvable so far as profit and loss is concerned. There is no way to determine the actual value of the cow, since she has been bought and sold for $32, $35 and $30.

A profit on the transaction is the difference between the cost and selling price. The purchaser paid $32 and sold for $35, profit $3. The transaction is now closed and a new account opened. The books show stock $30, cash $5. If it is conceded that the cow *now* is worth $30, the purchaser has made $3; if worth $35 he is in $5; if worth $35, he has gained $8. Again, the buyer is out $30, unless through sale or use he gets this value. The question, according to arithmetic, is unsolvable, unless a certain value is placed upon the cow.

This class of questions are as old as the hills and are fruitful of contentions.

R.

TO THE EDITOR OF THE GAZETTE:—

Sir,—I think you will find the following to be a correct answer to Mr. Kerr's cow question. I want a cow; you have one to sell; I buy her for $32. Mr. Kerr comes along, offers me $35 for her; I take it and make $3 by that transaction. Mr. Kerr thinks he would rather not keep her and offers her to me for $30. I buy her back and make on the whole trade $5, the amount Mr. Kerr loses.

Yours, &c., W. R.

F. & A. M.

Continued from first page.

But a few days since we were intensely shocked to learn of the sudden death of a venerable member of the Fraternity R. W. Bro. Bliss Botsford. This sad event, which called forth many expressions of sorrow and surprise, was the result of an accident. Judge Botsford, belonging to one of the oldest and most honored families in the Province, and occupying a high judicial position, was natually a leading man in the community.

We also mourn the sudden loss of our representative near the Grand Lodge of Scotland, W. Bro. James Webster.

Also the demise of V. W. Bro. T. B. Pardee, our representative near the Grand Lodge of Canada.

R. W. Bro. C. M. Chambers our representative near the Grand Lodge of British Columbia, has died during the year.

On the 13th of June there was received a communication from the V. W. Bro. T. H. Lempriere, Grank Secretary of the United Grand Lodge of Victoria, announcing the formation at Melbourne of that Grand Lodge on the 20th day of March, 1889. M. W. Bro. the Hon. Sir W. J. Clarke was duly elected and installed first Grand Master. The communication, in asking for fraternal recognition, goes on to state "The whole of the proceedings in connection with the United Grand Lodge of Victoria were carried out in a legal and constitutional manner. Of 142 Lodges in this Colony, heretofore under English, Irish, Scotch, and Victorian Constitutions, 140 have given in their allegiance to the United Grand Lodge."

In connection with this matter I would call your attention to a report of the Committee on Recognition of Sister Grand Lodges, presented to this Grand Lodge at the annual Communication of 1884, and which deals with the claims for recognition by the then Grand Lodge of Victoria. At that time the Committee reported adversely to the application for recognition by the Grand Lodge of Victoria, not so much on the ground of any irregularity in its formation, as from a lack of unanimous action among the Lodges occupying that territory. The same objection cannot, I apprehend, be urged against the recognition of this new Grand Body.

On the 13th July I received a communication from M. W. Bro. James W. Cloes, Grand Master of the Grand Lodge of North Dakota, informing me of the organization of that Grand Lodge, on the 13th day of June last. This Grand Lodge was erected in consequence of the division of the Territory of Dakota, and has been fully recognized by the M. W. Grand Lodge of Dakota. By my direction the Grand Secretary has handed these communications to the Committee on Relations with Foreign Grand Lodges, and I have no doubt they will recommend to you the immediate recognition of the Grand Lodges above mentioned.

Few cases have been referred to me during the year, either for decision or advice.

I regret that, owing to my absence from the Province, and to the calls of my professional work, I have been able to visit but few of our Subordinate Lodges.

A commission has been forwarded to W. Bro. Charles De Boos, to represent this Grand Lodge near the United Grand Lodge of New South Wales. Also a commission to R. W. Bro. J. A. C. Anderson, to represent this Grand Lodge near the Grand Lodge of Canada, in place of W. Bro. T. B. Pardee, deceased.

W. Bro. Robert J. Jamieson, a Past Master of Celtic Lodge, No. 291, has been commissioned to represent this Grand Lodge near the Grand Lodge of Scotland, in place of W. Bro. James Webster deceased.

W. Bro. William Downie has been appointed to represent this Grand Lodge near the Grand Lodge of British Columbia, in place of R. W. Bro. C. M. Chambers, deceased.

R. W. Bro. Robert Marshall having notified me that he would positively decline re-appointment as representative of the Grand Lodge of Iowa, his term of office under their regulations having expired, I directed the Grand Secretary to forward the name of R. W. Bro. G. F. Pinder, to fill the vacancy. R. W. Bro. Marshall has so long and so ably filled the office of representative of the Grand Lodge of Iowa, that I much regretted his decision in this matter.

I instructed the Grand Secretary to forward the name of W. Bro. F. W. Wisdom as representative of the United Grand Lodge of New South Wales, a vacancy having occurred owing to the removal of W. Bro. E. L. Wetmore beyond our jurisdiction.

A report of the dispensations issued will be furnished by the Grand Secretary. I need not enumerate them here.

The W. M. of Lebanon Lodge applied (Feb. 6) for a dispensation to elect and install the officers of that Lodge on the same night, they having neglected to elect them at the constitutional time. I refused to accede to this request: 1st, because no reason was given for their delay in the election: 2nd, because a dispensation to elect and install at the same meeting would be in direct contravention of that portion of Sec. 2, Private Lodges, which reads: "At the next annual meeting following his election, after the minutes shall have been read and approved, he shall be installed according to ancient usage." The officers of the Lodge for the past year must therefore continue in office for the ensuing year.

I have approved a change in the Byelaws of Lodge St. Andrew, No. 16, increasing their dues from 12½ to 20 cents per month.

From the M. W. Grand Master of Connecticut, I received a courteous invitation to attend the celebration of their Centennial.

From the Grand Master of the Grand Lodge of Illinois I received a kind invitation to participate in the celebration of the Semi-Centennial of that Grand Lodge. I much regret that it was impossible for me to accept either of these invitations, as the proceedings on both occasions were of great interest.

At the request of the Board of General Purposes, the work of the First and Third Degrees will be exemplified at this meeting of Grand Lodge.

This evening at 7.30 the F. A. Degree. To-morrow evening at 8 the M. M. Degree. The Worshipful Master of the Union Lodge of Portland, No. 10. has kindly called emergency communications of his Lodge for that purpose.

In conclusion, allow me to hope that my earnest desire to advance the well being of our noble order may counterbalance my many shortcomings. For the uniformly kind and courteous treatment I have received at the hands of the Craft, I desire to return my warmest acknowledgments.

THOMAS WALKER, M. D.

The Grand Secretary then read his report, which showed the total receipts of the office during the year to be $2,322.20; the total membership on the 29th of December 1889 was 1885, thus showing a decrease in membership of three.

The Grand Treasurer's report shows receipts and payments as follows.

1889 Receipts.
Apl. 15 Balance Cash.....1,563.76
1890
Apl. 15 Amts. rec. to date 2,205.20
$3,785.08.

Apl. 15 By Balance Cash 2,031.34
$3,785.08

After these reports had been received and laid on the table the report of the Board of Gen. Purposes was read and received and there being no further business at present Grand Lodge took recess til 3 o'clock.

The afternoon session was much larger attended, the delegates from Country Lodges having come in on the different morning trains, and at the time of going to press the work of Grand Lodge was in full swing.

There will be an emergency meeting of Union Lodge of Portland, No. 10, this evening at 7.30 o'clock, when the first will be exemplified and a large attendance of the craft is expected.

Two well dressed young women had a fistic encounter on Quinpool road riding grounds, last Sunday afternoon. They went at it in regular pugilistic style, each with another young woman as her second and some admiring female spectators. For some little time the air was thick with shrieks and yells, flying hair, hats, buttons, torn clothing and other feminine gear.—Halifax Echo.

CLIMO'S WORK should be seen at his rooms by those who desire the finest art effects in photography, 85 Germain street.

It was at a swell party in Halifax; The conversation turned on the coming election: "Who is your father going to vote for Miss ——?" This was asked by a gentleman present. "Oh! you know dear papa has no vote,' 'Why how is that? I thought he was a good conservative.' 'So he is in his opinions, but he can't vote, because he has never be acclimatized.'
