

### REPORT OF SPECIAL COMMITTEE ON THE FOXBORO' MEMORIAL.

Your Committee appointed to consider the memorial of the members and congregation of Foxboro', beg leave to report that, having considered the evidence and documents produced before us, we find :—

That the finding of the Property Committee of the Belleville District, dated 3rd March, 1886, was in excess of the jurisdiction of said Committee in this, that it attached among others, the following conditions, upon which the South church should be retained for the use of the Methodist Church in Foxboro', viz.: That certain names should be added to the respective trustee boards of the two churches, and that it fix an upset price at which the North church should be sold.

In our opinion the Committee had no authority or jurisdiction to impose these conditions, we think that these conditions vitiate the finding of said Committee and that it was never binding upon the congregations concerned. We recommend that no action be taken upon the said memorial.

All of which is respectfully submitted.

T. W. JOLLIFFE, *Chairman.*

E. ROBERTS, *Secretary.*

The report was received and adopted.

The report was received and adopted. A. L. MORDEN, *Secretary.*

### MEMORIALS FOR REFERENCE TO COMMISSION ON CONFERENCE BOUNDARIES.

Memorials having been presented from the Bowmanville and Uxbridge Districts, regarding their severance from Toronto Conference, attaching them to this Conference, it was moved by Rev. J. S. Clarke, seconded by Rev. E. Roberts, and

*Resolved*,—That the memorials from the Uxbridge and Bowmanville Districts be referred to the Commission on Conference Boundaries, and that if, in the opinion of the said Commission, these two Districts should be removed to the Toronto Conference, in the opinion of this Conference no opposition should be made to such return.

It was also moved by Rev. J. S. Clarke, seconded by Wm. Johnston, Esq., that in view of the unsettled feeling about the boundaries of this Conference, it is an instruction from this Conference to the members of the Commission, from this Conference, on Conference Boundaries, that they use their best efforts to secure the division of the Toronto Conference by Yonge Street, Toronto, and that the eastern part of the said Conference and the Bay of Quinte Conference be united.
