No. 2, C, W, 45 1-4 to 45 1-2; No. 41 1-4 to 44 1-2; Ontario No. 2 white 41. Toronto, Jan. 18.—The continue casiness of wheat on the outs markets today gives a slightly different tone to local quotations. Matoba wheat is quoted 1-2 cent lov at lake ports and for all rail de | ing report of the timber market: The closing year has been disaptoring. At this time last year, in provided in the reviewing the trade of 1908, it was not red that it had been one of stagnation and of little profit, to those engaged in commerce. The year closing may be described as one of slow recovery from the last three months of the year have shown a distinct improvement all round, and it is to be hoped with reason, that after the general election is gover, confidence may be restored, and that trade generally may forge ahead. In the timber trade, 1909 can only be it described as a bad year. On the whole, however, the statistical position of the stocks is not unhealthy, provided consignments remain limited. Compared with 1908, which was a very erpoor year, imports are slightly less and consumption about two million ver feet less, but against this the trade prospects are much better. With the | do of 1910 this may be discountry is his prospere. 1909. Messrs. Smith and Tyrei that at the thandard with the followidasgow, 31st the lumber situation for D.
