CAMBRIDGE WON BOAT RACE; OXFORD LEAD IN FIELD EVENTS

The Classic Rowing Event Witnessed by Thousands of Spectators—Oxford Crew Was Four Lengths Behind at the Finish—In Field Events Oxford Five and Half Points, Cambridge Four and Half.

London, March 28.—Oxford defeated Cambridge Saturday afternoon in the first dual inter-varsity track and field games to be held by the rival universities since March 1914. The final score was Oxford 5½ events, Cambridge 4½ events, first places only counting in the meet.

H. S. White, formerly of Bowdoin College, won the running high jump for Oxford in an easy fashion with a winning leap of 5 feet 7 inches and immediately followed with an exhibition jump in which he added two inches to his performance. I. J. Feather, also an American Rhodes scholar, won the hammer throw for the dark blue with a throw of 100 feet, 11 inches.

This was the one upset of the meet for Oxford had expected to win the place with Noskes, who had been throwing the hammer better than 110 feet in preliminary trials.

B. G. D. Radd, from South Africa, was also a strong factor in the Oxford victory, winning the half mile run in one minute 57.2 seconds and running a dead heat with Butler of Cambridge in the 440 yard dash in the excellent time of 49½ seconds. Abrams of Cambridge was the only double winner of the day, capturing both the hundred yards sprint and the broad jump.

There were no notable performances, considered from a record standpoint, except the running of Montague of Oxford in the three mile race. His time was 14 minutes 45.3 seconds cut 2.5 seconds from the previous track record.

The games were held at the historic Queen's Club grounds and attracted a great gathering of spectators which taxed the capacity of the enclosure.

Cambridge Won Boat Race

London, March 28.—Cambridge on Saturday won the boat race, beating Oxford by four lengths. The time was 21 minutes 11 seconds.

The race was witnessed by the largest gathering of spectators that ever assembled for the classic event. People began to seek places of vantage along the Thames River's course early in the day. Although the four and a quarter mile contest was not scheduled to start until late in the afternoon, throngs of rowing enthusiasts and supporters of the two Universities were wending their way toward the river immediately after the luncheon hour.

Every method of transportation was taxed to capacity; thousands traveling by train, buses and motor cars to the long stretches of the Thames for the greatest regatta of the year. Weather conditions were favorable for both the crews and spectators. The afternoon was mild and cloudy, with promise of a comparatively smooth course.

The combination of Saturday's half holiday and the spectacular free sporting event within short distance of the city drew thousands of East-enders and suburbanites to the course. There was revival of the Varsity color display which always marks the regatta and the edges of the river were banked with canoes and house boat parties.

Seattle Won From Two Objections Raised And Settled

Ottawa, March 28.—By Canadian Press.—Proving their claim that they are essentially a hard ice team, the Metropolitan of Seattle on Saturday night, decisively defeated the Ottawa, champions of the N. H. L. A. by a score of three goals to one and thereby prolonged the series, the next game of which will be played on Toronto ice on Tuesday next. Should the Westerners win the next game, the fifth will be played in Toronto on Thursday night. Ottawa has won two matches and Seattle one.

The result of Saturday night's game was the great surprise of the Ottawa hockey season. There was not one Ottawa fan who had witnessed the two earlier games of the season who thought the Westerners had a chance and the majority of seven thousand in the rink had gone to greet the new world's champions. In fact the Ottawa management had arranged a banquet for Saturday night to celebrate and present the Stanley Cup to the Ottawa.

The Mets showed a complete reversal of form. They had learned much in the series and in tactics similar to those of the Ottawas in Wednesday's night game. The Westerners combined brilliant individual feats with dazzling team work and won on their merits throughout.

The Line-up.
Ottawa Goal: Benedict
Point: Gerard
Cover Point: Cleghorn
Centre: Nighbor
Right Wing: Darrah
Left Wing: Boucher
Substitutes: Ottawa: McKel, Bruce and Denny. Seattle: Morris, Tobin, Murray and Nichols.
Referee—Cooper. Time-out. Umpires—Joe Wallace and Bill Gilmour.
Time-out—Murray Walker.
Penalty Time—Fred Denny.

The summary is as follows:
First Period—1—Ottawa, Boucher 5:00; 2—Seattle, Foyston, 12:00.
Second Period—3—Seattle, Foyston 12:00.
Third Period—4—Seattle, McKel 9:30.

The match established a record for Stanley Cup hockey inasmuch as not one penalty was handed out. It is remarkable in view of the stirring manner in which the match was contested.

J. R. Booth, Ottawa lumber magnate 94 years of age, faced the puck. He has followed the fortunes of the Ottawas for more than twenty years.

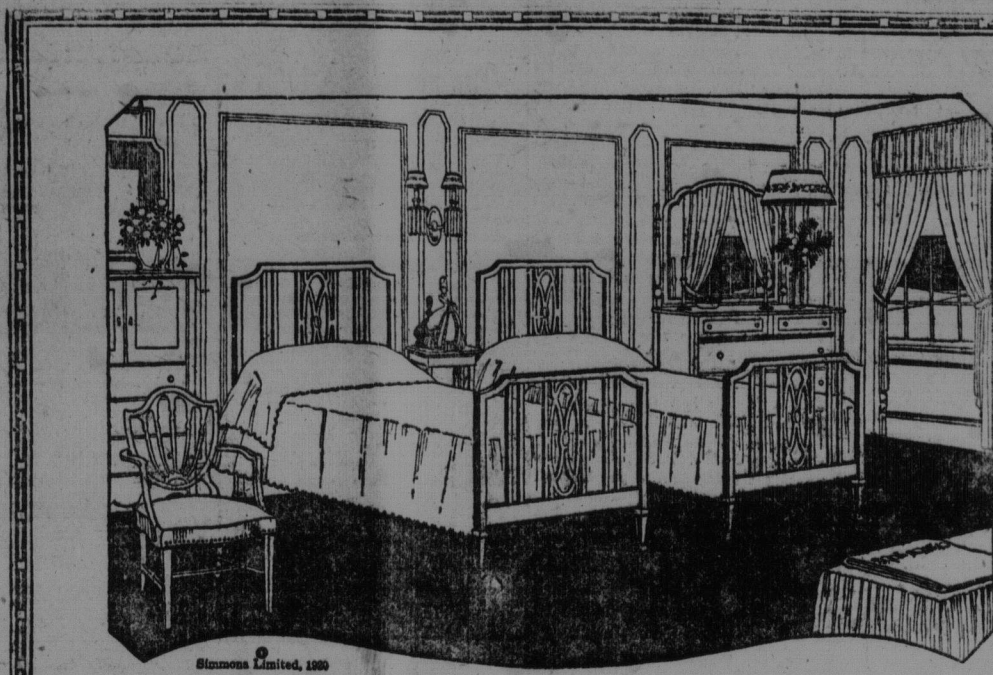

The Seattle team left for Toronto tonight and will practice on artificial ice tomorrow, taking in the Allan Cup game in the evening. The Ottawas leave Monday night.

The Receipts.
With the playing of the third game of the world's hockey series here Saturday night, the members of the teams cease to participate in the receipts. President Frank Calder, of the N. H. L. announced yesterday that the winner would receive \$30.50 each and the losers \$28.48 each. Thirty per cent of the receipts went to the Arena management for rental and ten per cent to the two leagues. There were fourteen thousand and three hundred paid admissions.

Gould and Wear displayed marvellous speed and accuracy. Only in the third set did they falter, being forced to give way before the excellent team work of Crane and Russell.
