Wood, of Sackville (N. B.), were in town on Wednesday.

Moncton, May 16—A somewhat vigorous prosecution of the Scott Act may be said to be going on in this city at the present time. There were six convictions obtain-

time. There were six convictions obtained against violators of the act on Friday and Saturday last and other places where intoxicating liquor is believed to be sold are being proceeded against.

As a result of complaints in reference to beer selling in the so-called resturants on Main street, Chief Tingley visited eight different places last week and collected samples of the beer these places confessed to dispensing. The proprietors of bornhester, May 13—(Special)—Two convicts in the "farm gang" under the care of Guard John S. Milton while working this afternoon in a field near Turner's Woods, so called, bolted for liberty and made good their escape.

In order to settle the question Chief Tingley has forwarded the samples to M. V. Paddock, analytic chemist, St. John, to be tested for alcohol. If it is found, prize and regret among the staff.

Tingley has forwarded the samples to M. V. Paddock, analytic chemist, St. John, to be tested for alcohol. If it is found to be tested for alcohol. If it is found that "hop beer" comes under the ban of the Canada Temperance Act, the parties from whom the samples were obtained will be prosecuted at once and other places selling "hop beer" will also likely figure in Scott Act prosecutions.

The amount of beer drinking, particularly among how and young man at these selected at 5 selecte

larly among boys and young men, at these so-called restaurants has been a matter that has called forth severe criticism from

Mr. Swim intends to remain in New Dorchester. Brunswick for the present.
Chester Sullivan, formerly in the I. C.

R. shops here, is critically ill at Calgary.

TWO WOULD-BE PRESIDENTS.

JUDGE ALTON B. PARKER, The New York Man Whom Many Democrats Would Like to See Nominated for the

Presidency.

"Yellow" Newspaper Proprietor, Who Has Aspirations for Democrat Nomination for the Presidency. "How do you account for the fact," asked the doctor, "as shown by actual investigation, that thirty-two out of every 100 criminals in the country are left-handed?"
"That's easily accounted for," said professor. "The other sixty-eight are handed."—Chicago Tribune.
