

Letters to the Editor

THANK YOU

Dear Editor :

I would like to take this opportunity to express my appreciation for the many cards of sympathy, floral tributes and moral support shown at the time of Ole's death. The true spirit of comradery and love within the RCMP and the provincial and various municipal police forces has certainly been shown through yet another tragic and needless death. Also sincere thanks for the many contributions to the Terry Fox Fund and to the Education Trust Fund which has been set up for our two daughters. Your true concern has made our sorrow that much easier to bear. May God bless you all.

Yours truly,
Lindsey, Karen and Kirsten Larsen

LETTER OF APPRECIATION

Dear Editor :

I have been requested by the officers present at the funeral of S/Sgt. J. M. E. LeMay, who died October 6, 1981, to express to the Headquarters Special Constables their appreciation for a job well done. Members of the bearer party, who represented us all, performed a difficult task in a most credible manner. They also established, to my knowledge, a Force precedent in that never before have Special Constables been requested to be pallbearers for a regular member.

Those of us who with members of the Corps of Commissionaires attended the service were pleased to be given the

opportunity to show our respect for S/Sgt. LeMay and his family.

Thank You,
Cpl. E. N. Seney
NCO i/c Physical Security Unit

We are trying to update our list of those who served on the St. Roch, and are asking all crew members to write and tell us when they were on board and what they did. As well, if they can include names and dates of any other crew members and any stories they might have, of life on board. Letters should be sent to :
