## WILKINSON TRUSS

For safety, comfort and durability it cannot be beaten, and is warranted to hold any reducible hernia. This Truss, on account of the pivot point, adapts itself to any motion or position of the body, so that when a proper fit is secured its presence is never known. There is not a Truss in the market giving anything like the satisfaction of the WILKINSON TRUSS.

Call or write for Testimonials from leading Physicians and wearers of the Truss.
