"HOW'S YOUR STOCK?"

The season during which Cold in the Head and Catarrh are most prevalent is now upon us, and every druggist in the land should have upon his shelves a liberal supply of Nasal Balm, and should, on no account, during the Fall, Winter and Spring months allow himself to be without it.

NASAL BALM

Is the only certain and speedy cure for Cold in the Head and Catarrh in all its stages ever placed before the public. This may seem a strong assertion, but it is backed by hundreds of testimonials in our possession, and is further proved by the rapidly increasing sale with which it is meeting in all parts of the Dominion.

NASAL BALM is one of the best advertised preparations in the market, and is this season being more largely advertised than ever before. Its merits are now being placed before the public through the medium of nearly Four Hundred Newspapers, Circulars, folders, pamphlets and advertising novelties are being constantly scattered broadcast over the country, and these must inevitably create a greater demand this season for Nasal Balm than ever before. Under the circumstances the proprietors feel warranted in asking, *How is your Stock?* Have you a supply on hand to meet this demand? If not, place an order with your wholesale dealer at once.**CAUTION** The trade is cautioned to beware of parties offering remedies as imitation of NASAL BALM, or offering containers for putting up such imitations. Our design, name and trademark are registered, and we are determined to protect our rights in the future, as in the past, and will vigorously prosecute all parties trading in such imitations or infringement. NASAL BALM can be had of all wholesale dealers, and you will find it to your interest to order your supply at once.**FULFORD & CO., Brockville, Ont.**
