

Machinery,  
&c, now in  
use not to be  
sold

4 And whereas the steamers, dredges, vessels, machinery, tools and implements, constructed by the Province, and placed under control of the Harbour Commissioners, and referred to in the first section of the Twenty-seventh and Twenty-eighth Victoria, cap 12, are now worn out and replaced by others, it is hereby enacted that all the 5 steamers, dredging vessels, scows machinery, tools, chains and other implements now in use, for the improvement of the channel to a depth of twenty feet at low water, (or when there is eleven feet on the flats of Lake St Peter,) shall not be disposed of, or sold, by the Commissioners until the said improved channel is completed. 10
