

This grant does not convey to the said (B.C.) any surface rights in the said claim, or any right of ownership in the soil covered by the said claim; and the said grant shall lapse and be forfeited unless the claim is continuously, and in good faith, worked by the said (B.C.) or his (or their) associates.

The rights hereby granted are those laid down in the Dominion Mining Regulations, and no more, and are subject to all the provisions of the said regulations, whether the same are expressed herein or not.

Agent of Dominion Lands.

FORM K.—GRANT TO A BED-ROCK FLUME COMPANY.

No.....

DEPARTMENT OF THE INTERIOR,

DOMINION LANDS OFFICE,

Agency, 18 .

In consideration of the payment of a deposit of one hundred dollars, required by clause thirty-four of the Dominion Mining Regulations to be made with the application of a bed-rock flume company, and of the further sum of ten dollars, being the fee for registration of this grant required by clause thirty-nine of the said regulations,—

The Minister of the Interior hereby grants to (names of members of company) forming together a bed-rock flume company [known as the (title of company)] the following rights and privileges, that is to say:—

(a) The rights of way through and entry upon any new and unworked river, creek, gulch or ravine, and the exclusive right to locate and work a strip of ground one hundred feet wide and two hundred feet long in the bed thereof, to each individual of the company;

(b) The rights of way through and entry upon any river, creek, gulch or ravine, worked by miners for any period longer than two years prior to such entry, and already wholly or partially abandoned, and the exclusive right to stake out and work both the unworked and abandoned portions thereof, one hundred feet in width, and one-quarter of a mile in length for each individual of the company;

(c) The rights of way through and entry upon all claims which, at the time of the notice of application, are in good faith being worked, for the purpose of cutting a channel and laying their flume therein, with such reasonable space for constructing, maintaining and repairing the flume as may be necessary;

(d) The use of so much of the unappropriated water of the stream on which they may be located, and of other adjacent streams, as may be necessary for the use of their flumes, hydraulic power and machinery to carry on their operations, and the right of way for ditches and flumes to convey the necessary water to their works, subject to the payment of any damage which may be done to other parties by running such ditch or flume through or over their ground:
