and shall be a party in the next, and not a spectator merely. We empt to fix the date, But when the at war comes, England will be a party, whether she likes it or not, be decree of Continental Europe, and the death of the Continental Europe, and the death of the Continental Europe, and the death of the Continental Europe, and the Continental Europe

fig and will benefit directly the Pro-Manitoba. It is expected that grain kota as well as the home province will om Dakota as well as the home province will as over this part of the road. A railway wom the cattle region east of the mountains in northwesterly direction will no doubt be all to join the Hudson Bay line if the lilt to join the Hudson Bay line if the eamers are spocessful. It would give a zery short rail and steamer route for the cattle Montans and our own territory to England. ea from Japan might be sent by this route to impete with the Suez Canal. But four conths is a short season, and an ice blockade always among the possibilities. We shall be.

The Regina Leader pays the following generous compliment to Mr. Davin: "A man of bequate knowledge and admitted literary power to give expression to the public epinion paper in which this is said of him to prove that the writer speaks from mowledge of his subject.
