Dear Friend:
The Professional Barber must be an artist. A sign or an advertisement, does not guarantee quality. The ways in which a Hair Stylist can introduce himself to his fellow citizens are restricted, but we feel we have found this the most likely way of doing so.
We do not just "cut" hair, we "cut and style" the hair to suit you. We are proud of our work and we should like the opportunity of proving it to you.
Please call us for an appointment. We will be happy to accommodate you.

Sincerely,

W. J. Frieson
