This answer does not meet all the charges. - Does Mr. Coulson keep his cattle on his own ground? Does ^{he} take firewood elsewhere than off his own premises. - Has he ever made representations to the Authorities respecting the encroachments of the whites. - How many white reside on the Indian lands in question besides his family. Does Lord Dalhousie's licence of May 1827 authorize all his family to reside in the Village as long as they wished? Can a white acquire land in this Village by marriage purchase ^{was} ~~made~~ ^{made} -

It would be the best course if possible to send some one unconnected with the Indian Dept (as has suggested) to enquire & report on the matter if the situation could be abolished.
