Ottawa May 19th, 1909

Sir,-

I beg to acknowledge the receipt of your letter of the 13th instant and note the objection you make to the proposed surrender of the Rasconi Lot No.1 for Lot No.2. These objections may be very important, but the information you have received to the effect that the said Lot No.1 which contains only half an acre and is in a bad situation is worth \$1800.00 appears to be absurd. I shall be obliged if you will discuss the whole matter with Agent Comire who has been instructed to consider the matter impartially and report his views to the Department.

Your obedient servant

*Tom Leman*  
secretary.
