Sir,

I enclose herewith a copy of a letter dated the 8th instant, from Mr W. M. Pease, Barrister, of Windsor, making application, on behalf of Solomon H. White, of the Anderson Band of Wyandottes, that the wife of the latter, and their two sons be placed on the pay-list of the band; and I have to request that you will report whether Mr White was a member of this band, before her marriage, as if not, she has no right to participate in the distribution of interest-money.
