Ottawa, 26th November, 1903.

Sir :-

The Department of Marine and Fisheries desires to have the vessels owned by this Department registered and has forwarded certificates to be filled in by their builders.

This Department will be glad to have the required information given by you in connection with the steam launch "Henrietta," built by your Company in 1898 for the use of Mr. Inspector Marlatt. By giving this matter your early attention you will confer a favour.

Your obedient servant,

Acting Deputy Supt. General  
of Indian Affairs.

John P. Northey, Esq.,

President, Northey Manufacturing Co.,
