the accused and I went down to
the Salvage Tent. (Witness identifies
the accused.) I was working there
and Pte Burton was writing letters.
The accused left there between
1445 - 2000 hrs. I stayed there in
the tent until 2300 hrs. I then ~~turned~~
~~the light out~~ went to our sleeping
quarters. I noticed Ptes Burton &
Lewis were both in bed. I didn't
speak to either one. I just turned
the light out and went to bed myself.
It must have been just shortly after
2300 hrs when I got to bed. I did not
hear anyone in the evening calling
the accused. S/Dgt L. Fenore
did not come into the tent all
evening. I would have seen him
