

IN THE "LIVES WORTH LIVING" SERIES.

Crown 8vo, cloth extra, gilt edges, 3s. 6d.,

OLIVER CROMWELL AND HIS TIMES.

By G. HOLDEN PIKE.

*With Eight Illustrations, including the Bristol Portrait as
Frontispiece.*

"A true picture. The character of Cromwell comes out well. Without any of the fulsome adulation that is too often a successor to injustice and hate, the honesty and simplicity and genius of the man are everywhere apparent. And without for ever calling your attention to his hero's virtues, Mr. Pike makes you feel Cromwell is a good man. And he is very fair to the other side. His estimates of the character of Laud and Wentworth, and even Charles himself, are without bitterness, and show a full appreciation of the good that was in them. The book gives a fine picture of the true Puritan character and the true Puritan house. Altogether it will well repay perusal, and help the reader to a true appreciation of the man and his times."—*Christian World.*
