And offer such inducements to all School Corporations purchasing Prize Books, as we hope will induce them to make their purchases from us.

In making your purchase from our stock you have all the advantages of being able to make a personal selection. This will be fully understood and appreciated by those having a past experience in ordering from catalogues and other such sources.

OUR TERMS are the same as the usual Trade List Prices, and will be sent on application.

As the Book Depository of the Education Department is now done away with, Trustees will please remember that Prize Books cannot be obtained from that quarter in future.

Orders, accompanied with the money, from parties at a distance and unable to make a personal selection, by stating full particulars, as to the number and value of prizes wanted, will have our best attention, and *Satisfaction guaranteed.*

We have also a large stock of Books specially adapted for Sunday Schools, which we offer to Superintendents and Teachers at specially low prices.

School Maps, New Series of Merit Cards, and all School Requisites kept in stock.

We would draw special attention to the new Map of the Dominion of Canada—Price \$6.50.
