## A LITTLE STORY

A missionary was preaching in a remote village. A man came to him with a free and friendly air. In his hand was an old tract about Jesus the only Saviour. He invited the missionary to his home and showed him an old copy of the New Testament in Hindu, and a book about Christianity, all of which he cherished, reading them over and over. Asked what he thought of them he said, "They are the life of my soul. You are the first missionary I ever saw, but I have been feeding on these books for twenty years."
