

### Reap The Benefits of Available Plant Food

In a favorable season crops will make enormous gains if they are given the available plant food necessary to support them. No soil contains enough available plant food for a bumper crop, or enough to prevent an unprofitable crop in a bad season. A good fertilizer increases the yield and the profit, but the plant food should be in forms available to the growing needs of the crop.

The A. A. C. Co.'s Fertilizers are manufactured from the best materials, and special factory treatment makes them highly available.

Wherever you live, we can reach you with the right fertilizer, the right service and the right price. Write today for a copy of "Plant Food," a practical hand book on fertility. No advertising in it; sent without cost, while this edition lasts.

Agents wanted in unoccupied territory. Liberal terms and goods that sell. It pays to sell our fertilizers as well as use them. Ask for agency proposition.

### Eastlake Metallic Shingles

#### The Originators of Steel Shingles in Canada.

The Metallic Roofing Co., of Toronto and Winnipeg, are the originators of the steel shingle business in Canada, and were manufacturing years before any other manufacturers commenced making them.

We did not start manufacturing until we had spent thousands of dollars in experimenting, and produced what we thought to be, and has proved to be, a perfect shingle.

This shingle was named 'EASTLAKE,' and was put on the market over a quarter of a century ago.

"EASTLAKE" Metallic Shingles were laid on roofs over a quarter of a century ago, and are on those same roofs to-day as good as new, with practically no cost for repairs.

The "EASTLAKE" SHINGLE of then, is the "EASTLAKE" SHINGLE of to-day, and will serve you as well as it has served these customers for over twenty-five years.

We can honestly claim by actual proof and test of service that no other shingles have been introduced that will equal "EASTLAKE."

Let us know your roofing problem and we will help you find a solution. It will cost you nothing and it will be a pleasure to us.

Investigation is worth while. It pays to know.
