Alexandra and Melotte CREAM SEPARATORS,

THE BEST MADE. If you are looking for a paying investment you cannot find anything better than one of our Cream Separators.
 Rapid City, Man., Sept. 7th, 1899.
 Sir, The Separator is very satisfactory, even more so than we expected. We were making about \$30 a month with the old and despoiling cans with fourteen cows. Now we have fifteen cows and the Separator, and we are making about \$60 a month. It is very easily turned, and very easy to keep clean. I am, yours truly,
 J. B. HEXBY.
