ment was prorogued by commission on the The following is the ROYAL SPEECH.

RDS AND GENTLEMEN.

have it in common I from her Majesty'to inau that the state of the public business enato dispense with your attendance in Parand to close the present session. Her has directed us to express her satisfaction e zeal and assiduity with which you have ged the laborious and anxious duties in the unce of which you have been occupied. Mijesty has given her assent to the import-

AUGUST 18.

It is her Majesty's fervent hope that it mey please Nantha the Almighty disposer of events to favour the op- | Candles eration of those laws which have been sanctioned | Camphine Oil by Parliament, and to grant to her Irish people, as Common Oil the reward of that patience and resignation with Gas which they have borne their pretracted sufferings. Ashes the blessings of an abundant harvest and of internal peace.

THE QUEENS VISIT TO IRELAND.

EMBARKATION OF THE QUEEN AND PRINCEAL BERT, AND THE ROYAL PROGRESS.-Her Majesty, Prince Albert, and suit, embarked: on the 1st instant on board the royal vacht Victoria and Albert, Captain Lord Adolphus Fitzelarence, G. C. H., at haif-past three o'clock in the afternoon; and the different members of the court and household, the servants, attendants, &c., having also embarked, the Victoria and Albert, with the royal standard at Castel, en route to Cork, Dublin, Beltast, and Greenock.

With the Victoria and Albert were the following steam-vessels, under the command of Lord Adolphus Fitzelarence :- The Stromboli, 4, steamsloop, Commander Lord A. W. Beauclerk; the Sphinx, 6, steam-sloop, Commander Hewlett; the Black Eagle, Admirality sream yacht. Master Commander Cook ; and the Vivid, steam-packet, Mas ter Commander Smithett. 'One of the men-of-war shops proceeded ahead of the royal vacht, and the other followed astern, the smaller vessels being stationed on the quarters of the stately Victoria and Albert.

The royal squadron got into regular order soor after starting, and proceeded at a very good speed towards the Needles, betokening a fur, happy, and prosperous passage for our beloved Bovereign in this her Majesty's fust visit to the Emerald Isle. It was arranged that the royal squadron should toes. bring up for the night in Yarmouth roads or at Weymouth, and would then proceed direct for Cork.

The most perfect arrangements have been made for the safe conduct of the royal voyagers, and pilots of experience are specially placed off the ports port of destination will be Cork, atterwards Dubin, though provision has been made to put in at Majesty's visit in Dublin is completed, the squathron will go on to Belfast, and thence to Greenock: and after the deburkation of her Majesty and Prince. Albert, the royal yacht, with the Fairy, Stromboli, and Sphinx, will return to Portsmouth; the Lucifer and Trident to Cork; the Banshee to Holyhead; the Vivid to Dover ; and the Black Eagle to Devonport, to await the orders of the Admiralty.

THE HONOUR OF KNIGHTHOOD .- "Buckingham Palace, June 29, 1849 .- The Queen was this day pleased to confer the honour of Knighthood upon Commander William Winniett, of the Royal Navy, Lieutenant-Governor of the Gobi Coast

No Officer has deserved better of his country than Sin William Winniett. His services on the which is not stated. pestilential Coast of Africa have been those from which many men would have never survived. As a Naval Officer, he is of some standing in the Ser-From Rome and Italy we learn nothing further vice, having entered the news so early as June, than that the Pope has made an arrangement to 1807 In his first ship, the Cleopatra, he assistcarry on the Government by a commission, and ed at the capture of the Topaze from under the that his return to his capital is indefinitely postbitteries of Gradsbupe, and the reluction of Mar-tinique, in 1809.-Comminder W. is a native of poned. Mr. Owen, he said, had tried this experiment not merely on 100 tons, but on thousands of tons of peat, during the whole of the last twelve months. He had expended his capital on it, and received his remuneration, and was ready to stake his character and fortune on the issue. He (Lord Ashley) wished to add, that after the peat was cleared time a serious battle will take place. It is scarceaway the soil beneath was found fruitful beyond all description, because it was absolutely saturated with ammonia; and consequently, not only would the country be enriched by the conversion of the spiracy has been discovered at St. Petersburg ; and the Victoria and Albert, with the royal standard at peat into valuable materials, but the soil itself the main, proceeded, under a solute from Cowes would afterwards be tound in a far more cultivatiit is said, that no fewer than 259 persons have been arrested in the Russian capital as implicated in the plot, which had for its object the overthrow of the ble condition. present dynasty and the erection of a Republic .-
