HALIFAX WESLEYAN CITY MISSION .- Th annual meeting of the Halifax Wesleyan City growth in grace of many; and by the triumphant Mission, was held last evening, in the Grafton death of not a few. And while I have been so Mission, was held last evening, in the Graftor Street School Room. The Rev. G. S. Milligar presided, and opened proceedings with prayer, after which he delivered a brief but very interesting address, stating the objects of the mission, and giving an account of the progress which had been made. It was contemplated to extend the prayer-meetings that had been held in his house continually for the last twelve years, and con-ducted similarly to that of Fulton Street, New operations of the mission as soon as practicable.

During the year many open air meetings had been held and generally they were well attended.

Upwards of three hundred services had been 2,374 visits made, and 4,500 religious tracts distributed. The Treasurer's account showed a small balance to the credit of the mis sion. Mr. James, the City Missionary, also made a verbal report of the operations in his mission during the year. Interesting addresses were also delivered by the Hon. S. L. Shannon, Mr. Morton, and others .- Reporter.

HALIFAX YOUNG MEN'S CHRISTIAN ASSOCIA-TION.—The Fifteenth Annual meeting of this institution was held in the Association Rooms on Saturday evening, commencing at 7 o'clock. John S. Maclenn, Esq., President, in the Chair. The attendance was large, and the meeting enthusiastic. The usual report of the Association which embodied the work of the past year was read by the Secretary. This document embraced the reports of the several sub-committees, and evinced much zeal in christian work on the part of many members of the As sociation. Among the many subjects reported on were—"Lectures," "Bible Class and Prayer Meetings," "Rooms and Library," "Visiting the Sick, and Tract Distribution," "Finance," "Open Air Missions," and on "Strangers and Employment." The several sub-committees seem to have diligently attended to the respective duties assigned them. The Treasurer's account exhibited disbursements to the amount of over seventeen hundred dollars during the year. The building fund has in cash and available, subscriptions, upwards of one thousand dollars. After receiving and adopting the report, the President, John S. McLean. Esq., very gracefully tendered his resignation, and although urged by the meeting, refused to be re-elected. Upon his retirement a committee was appointed to report on the most appropriate manner of testifying the respect in which he is held by the Association, and their high appreciation of his activity in christian work, as President of the Institution for the past four years. The committee, after conultation, reported the following resolution which was unanimously adopted by the Association :-

Presidency of the Association of John S. Maclean, Esq., so long our loved and trusted chief officer, this association desire to express their esteem for him as a man and a christian—their approval of the manner in which he has dis-charged the duties of the office and their conviction that under God the present prosperous condition of the institution is largely owing to his unremitting exertions in its behalf. The Committee suggest that a life sized portrait of the retiring President, suitably framed, be procured and placed over the President's chair in the parlor of the Association Rooms.

The Committee were re-appointed to carry out the suggestion they had made. The following officers were appointed for the

ensuing year:—

CABINET ORGANS, ARE THE BEST.

As proved by the almost universal pre musicians; the uniform award to them of highest premiums at Industrial Exhibitions, including the Paris Exposition, and a demand for them far ex-ceeding that of any other instrument of the class. PRICES REDUCED.

The great demand for these celebrated instrruments has enabled their manufacturers to so greatly increase their facilities for manufacture to so greatly offer them at prices of inferior work. Five Octave Organs, with Five Stops, Tremulent and Knee Swell, and the Mason & Hamlin Improvements, found in no other Organs, \$125. Other styles in proportion

A Testimony Circular, with the testimony in full to the superiority of these Organs, from a majority of the most eminent musicians in this country and many in Europe; also an Illustrated and Descriptive Reduction of Postage Rate to United Kingdom.

On and from the first day of January, 1870, the Postage Rate on Letters addressed to the United Kingdom, when forwarded via Halifax, Quebec, or Portland, will be reduced to Six Centrs the HALF Ounce. When sent via New York, the charge will be Eight Cents the Half Ounce. The
