CONSUMPTION.

Extracts from a letter from C. H. S. Cronkrite, Esq.:

CANTERBURY STATION, YORK CO., N.B., October 10th, 1876.

Mr. J. H. Robinson— Dear Sir:—In reply to your letter of enquiry, I would say that your Phosphorized Emulsion of Cod Liver Oil with Lacto-Phosphate of Lime, is the best preparation of the kind I have ever seen or taken.

I was ordered by my physician to take it, and commenced about the last of August, and since that time I have felt like a different man, and also look differently, and all for the better, as my doctor can testify.

I was unable to walk any distance without much fatigue. I can now take my gun and travel all day, and feel first-rate at night and eat as much as any lumberman. Have not bled any since I took your preparation, and can inflate my lungs without feeling any soreness, and I think I can inflate them up to full measurement same as before I was sick. I have also gained in flesh, my weight in the summer was 178 lbs., and now it is nearly 190 lbs., which is pretty well up to my former weight.

The foregoing is a correct statement, which I am now prepared to swear to, and I hereby authorize you to give it publicity in your name.

I am, dear sir, your's truly, (Signed) C. H. S. CRONKRITE.

We, the undersigned, hereby consent to have our names published as witnesses to the effects of 'Robinson's Phosphorized Emulsion' on the person of Mr. Cronkrite, and do assert that the foregoing statement is correct in every particular.

(Signed) ALEX. DENNETT, J.P. WILLIAM MAIN, REV. THOMAS HARTIN.

Robinson's Phosphorized Emulsion of Cod Liver Oil with Lacto-Phosphate of Lime is PREPARED ONLY BY J. H. ROBINSON, Chemist, St. John, N.B., and for Sale by Druggists and General Dealers. Price \$1. Six for \$5.

"METHODISM IN EASTERN BRITISH AMERICA."

FIRST VOLUME.

Is invaluable as a repository of the annals of Methodism in this country. It opens with a judicious chapter on the Origin and Characteristics of Methodism, and then, chapter after chapter, gives the history of the evangelistic efforts and operations of the Methodists, from 1769 to 1813. Mr Smith has evidently bestowed great pains on this work. It is minute and comprehensive and appears to do ample justice to the subject. We trust his services will be heartily appreciated and that he will thus be encouraged to prosecute a task for which he seems peculiarly well qualified.—Presbyterian Witness.

It is needless to say that the book is interesting, especially so to our Methodist friends. While the main object kept in view by the author has been to present an authentic and reliable history of Wesleyan Methodism, he has necessarily embodied in his narrative many historical facts of a general character, bearing upon the condition of the country socially, morally and religiously, which are calculated to render it valuable as a history to people generally as well as to Methodists. The book is deserving of a wide circulation and careful perusal.—Chronicle, Halifax.

Its typographical appearance reflects credit upon the establishment from which it emanates. The work is ably written, and the information to be derived from it is invaluable.—Reporter, Fredericton.

We recommend our readers to procure it for themselves. It will do good both to their heads and their hearts.—Canada Methodist Magazine.

This book ought to be in every Methodist Sabbath School, side by side with the first books in real merit.—Rev. D. D. Currie.

DR. C. GATES.

Dear Sir,—I was afflicted with the Rheumatism for more than twenty years by turns particularly in the autumn, which would seize me sometime in my shoulders and sometimes in my back but in September of 1876 it took me in my hip which made me very lame. I tried several things for relief but got none until February 1877. I took a severe cold which almost prostrated me, which time you happened at my house and recommended your No 1 Syrup to me. I confess at the time I had not much faith in it but knowing I needed Physic I purchased a bottle and commenced taking it and in one week's time I was cured of my cold and what I least expected my Rheumatism too, so that I have not been troubled with it since I think that if any person has any complaint that can be cured, they had better try your medicine.

Your's, with much gratitude, W. F. BURGESS.
