## EPPS'S COCOA

### BREAKFAST.

"By a thorough knowledge of the natural laws which govern the operations of the digestion and nutrition, and by careful application of the fine properties of well-selected Cocoa, Mr. Epps has provided our breakfast tables with a delicately flavoured beverage which may save us many heavy doctors' bills. It is by the judicious use of such articles of diet that a constitution may be gradually built up until strong enough to resist every tendency to disease. Hundreds of subtle maladies are floating around us ready to attack wherever there is a weak point. We may escape many a fatal shaft by keeping ourselves well fortified with pure blood and a properly nourished frame."—Civil Service Gazette.

Thomas Robinson, Farnham Centre, P.Q., writes: "I have been afflicted with rheumatism for the last ten years, and have tried many remedies without any relief. I got a bottle of Dr. Thomas' Electric Oil, and found it gave instant relief, and since then have had no attack. I would recommend it to all."
