New Books!

From Jerusalem to Jerusalem

Lectures on the Church—one, holy, Catholic and Apostolic, with a brief lecture on the Anglican Communion. By the Rev. Alfred J. Bell, M.A., Rector of St. James' Church, Guelph, Can. Price, 75 Cents net.

BISHOP DUPANLOUP'S METHOD

Just out. Third edition. (N.B.—The first two editions were sold out in a few weeks.) By the Rev. Spencer Jones, M.A., with preface by the Rev. Canon Body, D.D. The Clergy and the Catechism

Being an adaptation of the "Methode de St. Sulpice," as expounded by Mgr. Dupanloup, to the ways and wants of the English Church.
Canon Body says: "I commend this book to my brethren as a valuable addition to our works on Pastoral Theology."

The Church Times says: "Mr. Spencer Jones deserves the cordial thanks of every churchman. We hope to find this book circulating by thousands, for it contains scores of hints on how to apply the system in various localities, and contains a great amount of suggestive matter to assist Catechists in their important task."

The National Church says: "This is just the book that is wanted. Every detail is carefully gone into."

The Liverpool Churchman says: "This method has been adopted with most promising results. Canon Body speaks most enthusiastically of the results in Durham parishes; we hope the day is not far distant when the method will be adopted in every parish in England."
