

LOSS=PROOF

Women are fast learning the advantages of Express Money Orders for sending money through the mails. An Express Order is easy to obtain, simple to understand, and *always* safe.

There is no need to register letters containing Express Money Orders. They are loss-proof. All progressive stores and merchants prefer to receive remittances in this way—if an order goes astray in the mails the money is promptly refunded or a new order issued free of charge. Both sender and receiver are fully protected by using

DOMINION EXPRESS

Every railway station has an Express Office where "Orders" may be obtained, and in almost every town there are Branch Offices located in the residential districts.
