GAS ENGINES

We are selling a very large number of our book "Gas Engine Troubles and Installation" to farmers on the prairie. They are greatly interested in this subject and this book is the best on the market today for the money. One farmer who bought a copy in February writes: "I think it is the best book I ever had. It is worth \$5.00 instead of \$1.00." We have quite a number of these books in The Guide office and can send them by return mail for \$1.00 post paid. The big rush a while ago ran us short, but we have a new stock in now. Book Dept., Grain Growers' Guide, Winnipeg, Man.
