"Colony Major Pooch Tansen"  
At the Head of Herd

My herd made a wonderful prize-winning record on the Western Fair Circuit this year, and everyone who knows Holsteins knows that my cows can make good in production of milk and butterfat, as well as in the show ring.

I am making a special offer of one of my herd bulls, "Sir Belle Pieterje," 11279; sire, "Sir Pieterje of Riverside," 5944; dam, "Princess De Kol Belle," 8427. This bull has left me a lot of splendid individuals, but as his get are now coming back to him, I am forced to let him go.

I will also sell the two-year-old bull "Frank Fafarit De Kol," 27031; sire, "Count Fancy Fafarit," 12969. This bull was Junior Champion at Calgary this year and also a prize-winner both as a yearling and a calf. He was also in the money wherever shown on the circuit.

I will also sell a calf the get of my present herd bull, "Colony Major Pooch Tansen," out of "Beauty Dot De Kol," champion cow at Edmonton, two years ago. The full brother of this calf's sire was second at Toronto this year, and no less than 13 of his progeny were in the prize-money. The grand dam of my herd bull was second in aged class at 13 years of age, and made a butter record last winter of 34 pounds in one week. His dam has a semi-official record of 19,000 pounds milk and nearly 900 pounds butter.

I will also sell a number of young stock from both bulls. Here is a chance to improve your herd. Write me for further particulars, or better still, come and see for yourself what I have for sale. Farm ten miles west of Edmonton.
