AN INVESTMENT

A second-hand Studebaker can be sold  
after a year, two years, or after many years  
of service at a price which is very high in  
relation to its first cost.

Why?—because Studebaker has won the  
confidence of the public on the character and  
quality of its cars. It is a standard of value,  
like a piece of gold, and if you wish to sell it,  
your car becomes an investment, which has a  
definite marketable value.

The buyer knows that the name Stude-  
baker for over 64 years has stood for honesty  
and fairness. He knows that Studebaker heat  
treated steels, Studebaker standards of ac-  
curacy, and Studebaker efficiency of manu-  
facturing methods make Studebaker cars the  
highest quality cars on the market for the  
money.

Let us give you a demonstration.

CANNING

Rev. A. C. Borden will preach  
at Scotts Bay next Sunday at 11  
a.m. and 3 p.m. instead of in  
the afternoon and evening.

Mr. Jacob Cohen left on Wed-  
nesday for St. John where he  
will join his son William Cohen  
and both will go to Montreal  
on a business trip for a fort-  
night.

The United Baptist Church  
on Sunday evening at 7 o'clock,  
the pastor will preach, subject  
"On the Fence." Special music  
cordial invitation extended to  
all and stable room provided  
for teams.

Mrs. M. Starr Eaton accom-  
panied her son, Major Fred B.  
Eaton and his wife to Kentville  
on Tuesday. They were in Can-  
ning over Sunday.

Mr. Arnon J. Bigelow, who  
enlisted for overseas Red Cross  
work last autumn was home  
from St. John, N. B., for the  
week end and on Tuesday last  
at a special meeting of Scotia  
Lodge, A. F. and A. M., (of  
which Mr. Bigelow is senior  
warden) he was presented with  
a special wrist watch and the  
following address:

To Arnon J. Bigelow,  
Dear Friend and Brother:

Among the duties of Masons  
so frequently inculcated in our  
beautiful lectures is that of duty  
to our God our neighbor and  
ourselves.

Years ago the question was  
asked who is thy neighbor by  
one. Today it is being answered  
by thousands who leaving  
their homes impelled by pity for  
the down trodden and suffering  
have rushed to Europe to aid  
in the rescue of helpless Bel-  
gium.

It is not surprising that the  
first to respond to the cry for  
help were Masons. Our obliga-  
tion requires just such action:  
All over Canada, Masonic  
lodges have given of their  
members and their means to  
prove their sympathy in more  
than words and that our pro-  
fessions go deeper than our lips.

Scotia Lodge is proud of the  
fact that out of our small num-  
ber one has come forward to do  
his "bit" for the cause of Liber-  
ty and Justice. Words are weak  
nothing we can say or do can  
truly express the feelings of our  
hearts we know that you can  
never forget us as we can never  
forget you and yet we desire to  
give you something tangible to  
remind you of us—not for its  
intrinsic value but as a memento  
of the time and place  
where you was made a Mason.  
On behalf of the members of  
this Lodge I therefore present  
you with this slight token as a  
sign of our love and esteem.

The new tern schooner Cum-  
berland County has struck on  
the Tortugas in the Straits of  
Florida and is a total loss. The  
crew was landed at Key West.  
She was launched last October  
at Advocate and was owned in  
Parrsboro partly covered by in-  
surance.

A young man named Herb  
Edmunds, of Trenton, sent him-  
self to an early grave Monday  
by drinking wood alcohol, or a  
decoction made from wood al-  
cohol. The stuff was purchas-  
ed at the local drug store and  
the druggist warned the pur-  
chaser against drinking it, in  
addition to the poison label on  
the bottle.—Eastern Chronicle.

Mr. Max Webber employed by  
Mr. Fitch Savage, Berwick, at  
his meat market has donned  
the uniform and gone to Hall-  
fav to train for service and sent  
from there to Toronto.
