Local Briefs

Harvey Winters, of Blenheim, spent yesterday in the city.

Miss Belle McCorvie, of Mull, is a visitor in the city to-day.

Saturday is wind-up day at the 2 T's store. Something out of the ordinary may be looked for that day.

Miss Bertha Birch, who has been visiting relatives in Harwich for the past few days, returned home last evening, accompanied by her cousin, Miss Bertha McKerracher, who will remain in the city for a short time.

John Duff was pushed down the steps of the Standard Bank to-day in an argument with Teller Louder, and received a nasty cut on the back of his head. He also sustained a slight concussion of the brain but Dr. Hall does not anticipate any serious results. The cut on the back of his head bled profusely. Dr. Orchard and Dr. Perdu took Mr. Duff home. The affair, it is believed, was accidental.

CHATHAMITE IN IT

C. N. Smith, the sitting member for Sault Ste. Marie, was examined Wednesday before Judge Johnston for discovery in connection with the petition against his election.

A Chatham man, J. D. Lamont, son of the late James Lamont, once manager of the Chatham Gas Co., figures in the case. Speaking of the examination of Mr. Smith, the Mail-Empire says:—

Smith said he met J. D. Lamont here, but only twice during the campaign, though many times after. He denied responsibility for his association with Lamont, and knew nothing of him at the committee rooms. Lamont is charged with bribery, and procuring of personators, bringing over 100 voters from outside points, and handling large sums of money.

In connection with the same matter, the Globe says:—

J. D. Lamont is another man referred to. Mr. Smith saw him only a couple of times and could not say anything as to the charges against him, which are bribery, procuring personators and handling money. Lamont is from Chatham.

NOVA SCOTIAN BISHOP

Rev. Dr. Werrell Choice of the Synod at Halifax.

On the Third Ballot the Election Fell to the Kingston Clergyman—His Only Opponent Was Rev. Dr. Tucker—Rev. Dr. Werrell Accepts the Election As the Will of God and Asks the Church's Prayers.

Halifax, N.S., Sept. 1.—The Synod of the Church of England in Nova Scotia met yesterday for the purpose of electing a bishop to succeed Rev. Dr. Courtney, resigned, and on the third ballot the choice fell on the Ven. Clare L. Werrell, M.A., LL.D., Archdeacon of Ontario. Only two candidates were put in nomination, the Rev. L. Norman Tucker, M.A., D.C.L., and the successful candidate, the layman was at first favorable to Mr. Tucker.

On the first ballot the lay vote stood 67 to 48 in his favor, while the clerical vote stood at 25 to 58 in Mr. Werrell's favor.

On the second ballot Mr. Tucker lost 6 on the lay vote, while Mr. Werrell gained 5; at the same time on the clerical side Mr. Tucker lost 2 votes, while Mr. Werrell gained 3, the total vote standing at 61 to 23 in Mr. Werrell's favor.

The third and last ballot resulted in a substantial gain for Mr. Werrell on the lay side, giving him a majority of 6. The vote stood on the clerical side 63 to 21 and on the lay side 60 to 44. The election was afterwards made unanimous.

Rev. Dr. Werrell was notified and accepted in the following telegram: "I accept election as the will of God. Ask for Church's prayers. Will write to-night."

The consecration will take place at St. Luke's Cathedral and an effort will be made to get the Archbishop of Canterbury to officiate.

Sketch of the New Bishop.
The Rev. Clarendon Lamb Werrell was born at Smith's Falls, Ontario, on July 20, 1853, and was educated at Trinity School, Port Hope, and

BISHOP WERRELL.

at Trinity University, Toronto, where he was Wellington and Dickson scholar and Prince of Wales prizeman for mathematics. Ordained to the ministry in 1881 he served as curate at Gananoque and at Trinity Church, Brockville, and afterwards became rector at Morrisburg and Darfield. He also held the mathematical and scientific mastership in Cobourg Collegiate Institute, the headmastership of Gananoque High School and the principalship of Brockville Collegiate Institute. In 1891 he was appointed Professor of English in the Royal Military College, Kingston. In 1900 Archdeacon Werrell lacked one vote of being appointed Bishop of Ontario. In 1901 he was made Archdeacon of Ontario Diocese and in 1903 the degree of D. C.L. was conferred on him by Trinity University, Toronto. His consecration will probably take place at the meeting of bishops in Montreal in October. His brother is John A. Werrell, K.C., the Toronto barrister.

SEVERAL STORES BURN.

Serious Conflagration in Business Part of Emerson, Man.

Emerson, Man., Sept. 1.—At one o'clock yesterday morning a fire started in the rear of a blacksmith shop owned by William Templeton, and took in a building on the west side owned by George Christie and one on the east side owned by W. J. Scarfe & Son, harness dealer. It then leaped a lane and caught Charles Aimes' implement warehouse, and completely demolished a block, and only by persistent and determined efforts were buildings on the opposite side of the street saved. The loss is \$10,000.

Kara's Store Damaged.
Woodstock, Sept. 1.—Fire in Fred W. Kara's hardware store here yesterday morning did \$10,000 damage to stock and property. The cause was an explosion of oil in the basement; loss covered by insurance.

Surprise For Bartlett.

Detroit, Mich., Sept. 1.—When Melvin Bartlett, clerk of vital statistics in the Provincial Department of Agriculture, Winnipeg, stepped up to his private mail-box Tuesday night, he was surprised to find a letter waiting for him. Bartlett at first denied that he had left Winnipeg under a cloud. It is alleged that for eight or ten years Bartlett has been embezzling money received from the sale of marriage licenses, and that during all that time he had been falsifying entries. The shortage is alleged to amount to several thousand dollars.

Fined Goes For Life.

Chicago, Sept. 1.—Milton M. Carson has been sentenced to imprisonment in the penitentiary for life after conviction of mistreating Mabel Mayfield, 14 years old. His wife, Viola, also was found guilty in Judge Kersten's court, and sentenced to a year's imprisonment.

The Letter-Box

THE LACROSSE CLUB.

Chatham, Sept. 1st, 1901.
To the Editor of The Planet:

By reason of the great interest taken in the Tecumseh Lacrosse Club of this city, and the generous support given it in the past, the Executive of the Club feel it their duty to explain to the citizens the financial condition of affairs and the necessities of the Club, in order to carry the Lacrosse season through to a successful issue. A careful investigation into the affairs of the Club and its requirements, in order to carry out the season and be in the finals for the intermediate championship, clearly demonstrated that at least the sum of eight hundred dollars would have to be provided to meet all the obligations—current and future—of the club.

Those not familiar with the workings of the club will fail to understand the amount of expense connected with a championship series and particularly in connection with the games, both in and out of town, rendered necessary to place the team in the finals.

When, however, they think of the travelling expenses and hotel bills of fifteen or sixteen men, they can readily see that it takes quite a large sum of money to provide for these, not to speak of the usual incidental expenses connected with the successful management and running of a team.

Now that the Tecumsehs are in the finals and have every reasonable prospect of winning the championship (for the final game will be played on their own grounds on Labor Day) and the Club feel that the citizens have the interests of Chatham, and the team particularly, sufficiently at heart to warrant them in asking for a sufficient gate receipt on Labor Day to meet all their obligations.

After a careful consideration of the matter, the executive deem it not only advisable but absolutely necessary that the general price of admission to the grounds on Labor Day should be fifty cents, and that the citizens should be asked to purchase tickets beforehand, on the assurance of the executive that the game will be played "rain or shine." Every lay holder of a ticket will be admitted free to the grand stand. The general entrance fee theretofore has been 25 cents to the Grand stand.

The City of Chatham has certainly been well advertised through the record of the Tecumseh team during this year. They have not lost a single game this season and the interest taken in this final game and the team has become a thoroughly provincial one.

Under these circumstances, the executive feel that they can sincerely ask the encouragement of the citizens to show their loyal support by purchasing liberally the tickets for the game on Labor Day, now that they know the requirements of the case and the absolute necessity for providing funds sufficient to meet the Club's obligations.

Enthusiastic supporters of the game and members of the team will canvas the citizens for purchase of tickets, and we trust that they will get liberal support, under the circumstances. The game put up by the Chatham team is a clean and gentlemanly one and the "personnel" thereof is all that can be desired.

For these reasons the executive of the Club feel that they can conscientiously ask for liberal patronage and support under the circumstances.

Yours truly,
ROBT. GRAY,
President Tecumseh Lacrosse Club.

SCHOOLS ARE AGAIN OPENED

Continued from 1st Page.

do not come near the school at night. The County Board of Examiners take the whole curriculum into consideration on Saturday next, to see how much can be introduced at once and how the different parts may be brought in. Two years are allowed for the introduction of the whole curriculum.

"We all think that the new curriculum is a step in the right direction apart from a few absurdities.

"It might be well to mention in the start, so that the present entrance pupils may understand it, that the entrance examination this year, according to the new curriculum, will be in two parts. The first part on Literature, Art Work, History, Physiology and Nature Study will be judged and passed on by the teacher on the school's standing during the term on the monthly examinations. Part 2, Reading (written and oral) Writing, Spelling, Geography, Grammar, Composition and Arithmetic will be tried on at the regular entrance examination. The pupil who passes next year will have to get 40 per cent on each subject and 60 per cent on the total. Judging from this standing, half of the entrance candidates who passed this year would be plucked.

"So you see it will be impossible to do as well as we have done, but still it is in the interests of the public and high schools to raise the standard and make the schools live up to it.

"After this the candidate who wishes to enter the kindergarten to study for an assistantship, must be 18 years old and must have passed a junior leaving examination or a junior matriculation."

What the 2 T's have on sale Saturday is the best lot they ever had the hard luck to offer you.
