Greenwich Notes. The Sophomore Parade.

Greenwich is on the motorist map as a pretty village between Wolfville and Kentville, and this spring steps are being taken to keep its name there with the same respect.

The Rev. W. W. Colpita, who has been spending the winter with the women are cleaning house, the men are cleaning the lawns and graveling drive-ways. Any one wanting their done should take Mr. Pearson's ex-ample and send for Mr. Robinson, who knows just how to do it.

Mr. Ernest Johnson and Mrs. Bur-pee L. Bishop attended the closing exercises of the Agricultural College at Turu last week to see their sons graduate. Fred Johnson, Phillip Bishop and Robert Bishop all took honors diplomas and Phillip Bishop received the Governor's diploma for the highest standing in the Sen-ior class.

Mrs. H. A. Stewart, eldest daughter of the late Rev. W. W. Colpita, who has been spending the winter with her sisters in Florida, is expected on Saturday to visit her cousin, Miss Lillian Bishop. Mrs. Stewart is on her way to her home at Portage La-Pratire, Man.

Our 'Community League' held the final meeting of the season last week and a very happy evening was spent, enjoying the amusing program pro-vided by the Social Committee, whose chairman is Mrs. Dexter H. Forsyth. Original and humorous papers were read by Mr. Osmond K. Forsyth, Miss Beale Fraser and Mr. Murray Fos-yth. The evening closed with a treat of tea and cake.

We understood that the dramatic committee of the League, chairman, Mrs. Lee Bishop, are getting up an entertainment to be given next week for the purpose of raising money to repair the organ. Look out for the ads! This committee, dubbed the 'Punch and Judy Committee,' can get up a good entertainment and send you home feeling happy.

During the winter the League has had an address on 'Co-operation' by Rev. E. J. Armistead; a talk on 'Astro-nomical Measurements' by Mr. Bur-pe L. Bishop; and a talk on 'Our Native Birth' by Mr. Robt. W. Tufts. We had also some excellent socials and Rev. W. Watts, the president, gave a series of talks on 'The Life of Joseph.'

Why cannot other villages start 'Community League' next winter? Mr. A. K. Forsyth has sold his farm to Mr. George L. Bishop and will build for himself a little Eastward, near Mr. C. R. Forsyth's.

Mr. Will Padsey, son of Mr. Fred Padsey, has bought Miss McKittick's farm on Belcher's Street, near Kent-ville and will move there soon with his family. For some years he has been in Boston, where he was glad he has returned to his native place.

Mr. Charles Merry with his wife ar-rived on Friday to visit his sister, Mrs. Charles E. Bishop. Mr. Merry was seriously injured in the Halifax dis-aster.

Rev. P. McAtoy, of Wolfville, who has been supplying the pulpit of the Baptist church quite frequently dur-ing the past few weeks, has been in-vented as temporary pastor for the months of June, July, August and September and has accepted the in-tervention. He will also continue to supply until just, as in the past, Digby Courier.

Married in England. On Monday the marriage took place at St. Peter's church of Sergeant H. Allen, Quarter Master's Staff, C. D. D., Boston, whose home is in No-va Scotia, and Miss Leah Grant, youngest daughter of Mr. and Mrs. W. Grant, 63 King's Road, Wolfville. The bride was given away by her uncle, Sergeant Hawksworth, R. A. M. C., of Derby and the bridesmaid was Miss Jennie Grant, sister. The best man was the Squire of Nova Scotia, The Rev. E. L. Harkness, M. A., Vicar and Surgeon, officiat-ed, and the official pair left amid hearty congratulations. The honeymoon is being spent at Hastings.

The above is a clipping from an English paper. Sergeant Allen is a son of Mr. and Mrs. Wm. J. Allen, of Melancon.
