

DEVELOPMENT OF THE SOO

What Mr. Clergue is Doing for the Virgin Territory of Western Ontario.

Points of Historical Interest in Connection With the Old Hudson Bay Ports.

THE MILLIONAIRE'S UNIQUE RESIDENCE.

(Detroit Tribune.)

One of the objects of interest at Sault Ste. Marie is the residence of F. H. Clergue, "that remarkable genius who is spending millions in the development of the Soo water power. Mr. Clergue, fortunately for the Soo, is something more than a money-grubber, and so, when he bought the old Hudson Bay station on the Canadian side of the river for a mill site, he determined to preserve all that would be of historical interest. In pursuance of this idea he has rebuilt the old block house and uses it for his home.

The stone walls of the blockhouse, are those built by the Hudson Bay Co. more than 150 years ago. The old loopholes can be seen. The upper, or overhanging portion of the building, made of logs, had of course to be rebuilt. Its design is as nearly like the original as it was possible to make it. But of course the polished floors, Turkish rugs, brass beds, porcelain bath, telephone and other features of the interior are not relics of the Hudson Bay Co.'s period.

But it is very proper, indeed, that the man who lives in this historic structure should be the man who is building the first railroad to Hudson Bay. Indeed, he has many miles of it completed and open to traffic, and is sending the construction gang into the wilderness with the rails at the rate of half a mile a day. Mr. Clergue was able to locate the old stockade which surrounded the blockhouse and has built a handsome wall of ribboned sandstone to mark the lines of the ancient compound.

Within the enclosure pet bears and great St. Bernards disport themselves even as they very likely did upon the self-same spot for the pleasure of the fur traders two centuries ago. Mr. Clergue has also found and preserved the first lock by which vessels were taken past the Soo rapids. It was built by the Hudson Bay Co. 150 years ago to enable the company's bateaux to come down from their trading trips along the shores of Lake Superior, and was only a little fellow, its total length being about 40 feet.

Master Minds.

Their Record in the Past Century—Marvellous Stride in Medical Science.

Achievements of Dr. Chase in Relieving Suffering and Simplifying Medical Treatment.

His Famous Receipt Book, the Consulting Physician in Scores of Thousands of Homes.

There have been great men in all departments of human endeavor, great statesmen, great artists, great writers; but it is by its scientific achievements that the past century will be marked. In the healing of disease and the alleviation of suffering the century just closed has been the century of centuries.

It may well be doubted if any one man has been instrumental in accomplishing more in this respect than Dr. A. W. Chase, who through his well-known household remedies and famous Receipt Book, has succeeded in simplifying medical treatment, and given to every person the power to become their own physician.

Dr. Chase's last and complete Receipt Book and Household Physician gives in plain, simple language the cause, symptoms and treatment of nearly every disease which afflicts suffering humanity. It also treats of the diseases of horses, cattle, poultry and domestic animals; contains valuable cooking recipes and a mass of miscellaneous household information of inestimable worth in every home.

The medical department of Dr. Chase's Receipt Book is alone worth a doctor, and the advice of Dr. Chase is far superior to that which any ordinary doctor can give, as his experience of nearly half a century, with an enormous practice, is such as few doctors can acquire.

Dr. Chase's Receipt Book is not for sale at any book store, and can only be obtained direct from these offices, or from our agents. To anyone desiring pleasant and profitable employment there is no opening more inviting than an agency for this world famous Receipt Book. It is the easiest book in the world to sell, first, because it is the most useful book that can be introduced into a home, and secondly, because it is so largely advertised. Everybody knows of Dr. Chase, his great family medicines and famous Receipt Book. Whether you want a single book or wish to become an agent write direct to Edmondson, Bates & Co., Toronto, for full particulars.

THE PLUMBERS OF CANADA INVITED.

John S. Morgan's Letter open for their Perusal.

Nova Scotia Member of the Guild Wants His Name Published.

BRIDGEWATER, N. S., June 7 (Special). The case of John S. Morgan, plumber and tinsmith of this town, should be put prominently before every union and non-union man in Canada. In a matter like this there should be no distinction, the benefit belongs to all.

John S. Morgan for eight years was hampered in his work by backache. Stopping continually at work is the cause of a great deal of backache, though not in the way most people imagine. Mr. Morgan's letter explains the truth of the matter when he says Dodd's Kidney Pills cured his backache. It was really Kidney ache that troubled Mr. Morgan.

Backache is the commonest symptom of Kidney Disease. Kidney Disease is the commonest of human ailments, and Dodd's Kidney Pills are the one infallible cure for all Kidney diseases. Read what Mr. Morgan says about them himself.

"I have been subject to lame back for eight years. The different remedies I tried were no good. I got so that I was crippled up entirely and couldn't do a tap of work. Another thing was a frequent desire to urinate altogether unnatural.

"About a year ago I commenced to use Dodd's Kidney Pills. I had an down in weight to about 140 pounds. During the time I was using Dodd's Kidney Pills I gained 23 pounds. My back got better and better as I continued taking the pills until to-day I am as free from backache as ever I was in my life. This after eight years of it means an awful lot to me. I realize the danger I was in and know what I owe to Dodd's Kidney Pills.

"I recommend Dodd's Kidney Pills to anyone who has backache or any other Kidney complaint."

SORE ALL OVER.

Back Sore, Head Sore, Hands Sore—The Terrible Experience of Mrs. Rousseau of Ottawa.

OTTAWA, Ont., June 3.—(Special).—The following written statement, made and signed by Mrs. J. William Rousseau, of 10 Flora street, this city, shows what some women can go through and yet live—

"I have been ailing for three years. My back was dreadfully sore. My head ached all the time. My hands were swollen and very painful. I cannot tell the pains I endured. No words can describe my torture.

"I used Dodd's Kidney Pills—three boxes altogether—and I am well. I did more for me than anything else in the world, and I recommend them to every suffering woman."

Dodd's Kidney Pills have wrought some miraculous cures in and around Ottawa, but none more satisfactory than in the case of Mrs. Rousseau.
