COURT HAPPY RETREAT NO. 150 I. O. F., in Foresters' Hall, Derby, on the 3rd Thursday of each month at 7.30 o'clock.

The Coming Election.

On the 29th day of this month the plebhibition of strong drink as a beverage. The Minister of Agriculture explains the term Cider in the Plebiscite Bill to be; apple juice which having been treated in facture, has become an intoxicating aimply in its raw state.

This plebiscite will be one of the most important events in the history of Canada. retarded. It is believed by temperance a nation we stand before the world unique

that time it has been found always and everywhere that the constant temptation in dealing with a political, social and wears the light that the constant temptation in dealing with a political, social and wears the flag has been raised by a lady.

It is hoped that the menual temptation is not a question of revenue, but of right morning over the American Consults omec. Mr. Call says it is the first time in thirty years the flag has been raised by a lady.

It is hoped that the menual temptation is not a question of revenue, but of right morning over the American Consults omec. The constant temptation is not a question of revenue, but of right morning over the American Consults of the constant temptation in dealing with a political, social and wear the flag has been raised by a lady. supplied by legalizing the liquor traffic defeates the efforts of those who desire to protect the innocent and reclaim the falled, because of temperance were obliged to become the determined enemies of any license system. Sincer and advances and conditions. The advocates of temperance reformers have always desired some kind of prohibitory legislation, feeling of sprowth. For recomplish all that was needed to be done. Partial prohibited the selling of liquors, have prohibited the selling of liquors and days, some an certain places, some in certain people. We would not like to say that these necessures have not done good.

**Real Allan Wheeler has resigned his sittly secure the largest possible vote decreased and should in History to Secure the largest possible vote deany of prohibition. If any member can distribute prohibition where she died on Tuesday. She willed she was the awakening of a microek. All good is of show growth. No reform comes at one have to extend the Rothesay Collegiate shes, sufficient to pay the function of solving the prohibition as a new attitude and places, some in certain hours and days, some at certain places, some in certain people. We would not like to say that these necessures have not done good.

**Real Allan Wheeler has resigned his still the south fork we come decentively and individually to secure the largest possible vote distualty to secure the largest possible vote in the transfer of prohibition. If any member can distribute prohibition. If any member can distribute prohibition where she died on Tuesday. She willed to be nearly where she died on Tuesday. She willed the suppression of a darge of the transfer of the transfer of the transfer of the most nearly of the transfer of the carried here were floor that these measures have not done good, ness, and the law becomes a force in the btless they have all done good, but at interest of well being. Nor has prohibithe best they have only been partial tion been a failure. All over our Province measures. During the years of the past public opinion has been growing and expressing itself in demanding a more comprehensive measure of reform. At the property of the comprehensive measure of reform. At the comprehensive measures of the past we know limited prohibition to be a boon and a blessing. grown, and become so well informed on the temperance question that nothing short of total prohibition of the manufacture, importation and sale of intoxicating liquors for beverage purposes will satisfy it. This method of dealing with the drink traffic life the oning.

It is the oning the same traffic life the oning traffic life traffic
